

Job Details

Job Location: St. Thomas More Catholic School, Centennial, CO

Full-Time Middle School Science Teacher

St. Thomas More Catholic School is currently seeking a full-time middle school Science teacher. We are searching for candidates whose faith and relationship with Jesus Christ is the driving principle in their life and who teach and act in accordance with the morals and values of the Catholic Church. If interested, please send an email to klein.laura@stthomasmore.org

Candidates must:

- Provide appropriate instruction that follows the curriculum of the Archdiocese of Denver
- Educate and inspire students to grow spiritually and academically
- Cooperate with administration and fellow staff members to provide a robust formation experience for our students
- Have the ability to modify your instructional methods to fit individual needs

Qualifications

- Requires a minimum of a bachelor's degree
- Requires appropriate state licensure for teaching
