

This form must be completed by the livestock seller for all organic/converted breeding/in-conversion animals being sold off the holding as breeding or finishing stock, including sale through an organically certified livestock market. It can also accompany stock to the abattoir. The original copy of this form **must** be supplied to the purchaser/agent along with a copy of the seller's valid organic certificate. A copy of this form must also be retained for the seller's records. A separate form must be completed for each batch of animals. See SOPA Standard 3.8.8 for more details. Standards for handling, transporting & lairage must also be observed (see SOPA Standard sections 3.7 & 3.8) along with all other statutory regulations surrounding the sale of livestock.
