# Welcome to our 2024 Internal Finishes Collection

Our 2024 exterior and interior collections have  
been designed to be best matched **One** for **One**.

You can choose an exterior scheme to suit your  
location, that established in your neighbourhood  
or that predominant in your new estate. You may  
even choose to be bold and stand out, opt for  
an exclusive feel match your character, current  
market demand or even your professional status.

Then there is the interior, stay with that matched  
to the exterior or mix them up. Do you prefer bold  
finishes with colours that contrast or warm hues  
that allow your furnishings to introduce highlights.

Our colour stories have been carefully selected to  
match and layer well right throughout your home.
