QUALIFICATIONS, EXPERIENCE, OBJECTIVES (on a separate sheet)

1. What is your most fulfilling work-related responsibility, skill or achievement?
2. Please identify any specialized or advanced training courses you have completed.
3. Please list any civic, religious, political, professional, or other activities of which you are a part of - address why you became involved with these, and what have you learned. If you haven't been previously involved in community life what needs to change to encourage involvement now?
4. Why do you want to pitch your idea to Smart Tank?
5. What do you consider the most pressing issues facing the Mt. Washington Valley?
6. What is your definition of successful entrepreneurship?
7. Describe in detail what your business product or service. What does it do? Details, please?

REFERENCES

Please attach two references (noting the names, addresses, e-mail and phone numbers), one being your employer, if applicable. Choose individuals who are knowledgeable about your personal and professional potential and performance.

PROGRAM DETAILS

SMART TANK is an initiative of Janice Crawford, Brenda Leavitt, Joy Tarbell, and Donna Woodward. All have had lengthy, successful careers in Mt Washington Valley and are now available to mentor and/or lend financial assistance to young professionals 18 to 35 year of age who are seeking a “leg up” in taking their place among the successful entrepreneurs and leaders in the valley.

Participants will be chosen through an application process which includes:

- A written application
- Personal interview
- Resume
- References
- Background and credit check indicating a credit score of 650 or higher
- A willingness to give back to the community
- Presentation of your funding need
- Copy of your social security card and a picture id indicating your age is between 18 and 35

SELECTION: All applications are due by July 20th, 2022
Accepted applicants will be notified by August 1, 2022

Email your application to: smarrtankmwv@gmail.com
