Management and Development Strategies

16 February 2016

DEVELOPMENT OF LONG-TERM STRATEGY AND PLAN FOR GROWTH AND DEVELOPMENT: POLOKWANE NEIGHBOURHOOD DEVELOPMENT PROGRAMME

To whom it may concern

Lekoko Consulting was assigned to carry out the following roles in the development of long-term strategies for growth and development, (Township Regeneration Strategy):

- Overview of the legislative framework
- Overview of the National Development Plan
- Overview of the Provincial Growth and Development Strategy and Plan
- Situational and trend analysis, covering:
 - Social
 - Economic
 - Spatial
 - Infrastructure
 - Environmental
 - Institutional
 - Human resources
 - Information technology and knowledge management; and
 - Regional integration
 - Outlining of the strategy scenarios and related outcomes
 - Implementation plan and implementation agents, and role-players

The above roles were fulfilled satisfactorily.

Thank you
