[Described video: A shot of a CAA Store sign, reading CAA Insurance Travel Roadside Rewards]

00:00:05:12 - 00:00:09:04

Sonali >> Today I'm going to show you some products which are great to help you through winter.

[Described video: Sonali stands beside her car, which has the windshield and side view mirror covered]

[Described video: Sonali's car sits in the parking lot outside of the CAA Store]

00:00:09:04 - 00:00:23:20

Sonali >> This is called as the Arctic guard. This is great when you've parked your car outside. Any of the snow that's collected on it, all you need to do is pull it out, and bang! You're good to go. Let me show you some products which I always carry in the car.

[Described video: Sonali points to the cover on the windshield of the car]

[Described video: Sonali stands next to the car]

[Transition: Blue bars swipe across the screen]

00:00:23:20 - 00:00:30:14

Sonali >> The defogger. Whenever your windows are all fogged, just wipe it down and it's great, especially in winter.

[Described video: Sonali holds up the defogger while sitting in the driver side seat of her car]

[Described video: Sonali's hand holds the defogger up]

[Text on screen: *Available online at shopwithcaa.com*]

00:00:30:14 - 00:00:43:00

Sonali >> Another tool which is always in my console is the 8-in-1 Austin House tool. It has a torch, as well as the glass breaker. All you have to do is bang onto your glass and you're good to go.

[Described video: Sonali takes the 8-in-1 tool from her centre console and holds it up]

[Described video: Sonali displays the different types of tools included]

[Described video: Sonali mimics using the glass breaker on glass]

00:00:43:00 - 00:00:48:08

Sonali >> And now I'm going to take you and show you what's in my boot which I always have.

[Described video: Sonali speaks while sitting in the driver seat]

[Transition: Blue bars swipe across the screen]

00:00:48:08 - 00:00:57:04

Sonali >> One thing which is always in my boot is the roadside safety kit which has all of the products that you need if there's an emergency.

[Described video: Sonali reaches into her open trunk]

[Described video: Sonali opens the roadside safety kit]

[Described video: The contents of the kit are displayed]

[Text on screen: *Available online at shopwithcaa.com*]

00:00:57:04 - 00:01:03:15

Sonali >> And then, so I'm going to take you through Sonali's safety kit, which I never go out without.

[Described video: Sonali puts the roadside kit back into the trunk]

00:01:03:15 - 00:01:09:01

Sonali >> I've got an extra set of gloves, I've got a toque, a shawl, a hoodie.

[Described video: Sonali pulls a pair of gloves from a backpack in the trunk; she pulls out a toque]

[Described video: Sonali holds up a shawl]

[Described video: Sonali takes a hoodie from the backpack]

00:01:09:01 - 00:01:17:20

Sonali >> You never know when and where you're stuck, so it's always good to have that to keep yourself warm, or if maybe somebody else needs that help.

[Described video: Sonali stands by her open trunk]

00:01:17:20 - 00:01:20:15

Sonali >> All these products are always good to have in the car.

[Described video: A jug of windshield washer fluid sits in the trunk]

00:01:20:15 - 00:01:21:23

Sonali >> So there you go!

[Described video: Sonali stands by her open trunk]

[Transition: Blue bars roll up the screen]

00:01:21:23 - 00:01:26:14
