

We are in the process of upgrading our services and all members will be required to re-register upon calling in or using online registration.

All EMHP Active and Retired Members and their eligible dependents.

Not sure if it's a cold or the flu?

With Access Discount Healthcare, you can visit with a doctor 24/7 from your home, office or on-the-go.

**Winter is cold and flu season.
Don't wait to talk to a doctor.**

Winter is the height of cold and flu season. Can you tell the difference between cold and flu? It's not always easy to know, and the flu can become serious. So if you notice cold or flu symptoms, visit an online doctor right away.

Talk to a board-certified doctor by video or phone with an average of 15 years of experience.

Doctors available anytime, day or night, even on weekends and holidays.

Prescriptions can be sent to your nearest pharmacy, if medically necessary.

Your doctor is here.
