

# Brent Elementary School PTA Supply + Activities Fee

## Save Money and Time

**The supply portion of the fee** is collected by the PTA to cover:

- Classroom supplies (class+individual)
- Special subject supplies
- Special education supplies
- Classroom libraries

Buying in bulk allows for considerable cost savings on yearly supplies - at least 60% in savings. It also allows faculty to identify and purchase the most purposeful materials. No additional supplies will be requested to families.

**The activities portion of the fee** is collected by the PTA to cover:

- Field Trips
- Assemblies
- Visiting Experts
- Class Events
- In-school performances

Families who are eligible for free or reduced price lunch **do not need** to participate in the supply and activities fee program. Families who have other financial considerations are encouraged to contact the front office.
