SUPPLEMENTAL BRIEF REGARDING MOTIONS TO SEAL

On June 15, 2022 and June 30, 2022, the Division of Enforcement (“Division”) filed motions to seal two notices (the “Notices”) containing reference to a Non-Public Order by the Securities and Exchange Commission (“Commission”). On September 16, 2022, the Commission ordered that, in light of Respondent’s consent to making the information public, the Division should either withdraw its motion or submit additional briefing stating why the Notices should remain under seal. The Division does not believe it can withdraw its motion as Rule 203.5 [17 C.F.R. 203.5] requires that “[u]nless otherwise ordered by the Commission, all formal investigative proceedings shall be non-public.” Thus, neither Respondent’s consent nor its efforts to publicize the information relieve the Division of the obligation to keep the information confidential until the Commission orders otherwise. That said, the Division has no objection to the Commission issuing an order unsealing the two sealed Notices, and has no additional information or arguments why the Notices should remain sealed.
