Administrative Proceeding File No. 3-21243

On May 11, 2023, the Office of the Secretary issued a Record Index with exhibit list. The cover letter to that Record Index with exhibit list misdescribed Rule 351 as providing 15 days within which to file with the Office of the Secretary proposed corrections to the index. In fact, Rule 351 provides just three days within which to file proposed corrections to the index. *See* 17 C.F.R. § 201.351(b) (“Any person may file proposed corrections to the record index with the hearing officer within three days of service of the record index. Any opposition to the proposed corrections shall be filed within three days of service of the proposed corrections.”).
