ABDA Daten durchsuchen =

Strg + f

The image shows a standard Windows search dialog box. It has a title bar with the text 'Suchen' and a close button (X). Below the title bar is a search input field with a blue border and a cursor. To the right of the input field is a button labeled 'Weitersuchen'. Below the input field are two checkboxes: 'Nur ganzes Wort suchen' and 'Groß-/Kleinschreibung'. To the right of these checkboxes is a group box labeled 'Suchrichtung' containing two radio buttons: 'Nach oben' and 'Nach unten', with 'Nach unten' being selected. To the right of the 'Suchrichtung' group box is a button labeled 'Abbrechen'.
