Dear Professional Manager Association & Internal Revenue Service employees,

As students head back to school for the 2021-2022 school year, they need the tools and nutrition to tackle the New Year. Thanks to you and your continued support and the HUNDREDS of pounds of non-perishable food items, these students will be able to come prepared and ready to learn and succeed.

A simple THANK YOU does not truly describe our appreciation for your support. What we do makes an impact for our clients, and for our community. We could not offer all these life changing services without the amazing support that we receive from dedicated supporters like you. Your donation has gone directly to local families in need and touched the lives of hundreds of individuals through our Food Pantry.

During these uncertain times, we are so grateful that you chose to support our mission. Thank you again.

Sincerely,

John Maloney
Executive Director
