

EDCUTAH INDUSTRY PROFILE | FY 23-24

# FINANCIAL SERVICES IN UTAH

## ON THE COVER

### Downtown Salt Lake City, Featuring 111 South Main

The impressive 25-story 111 South Main office tower was completed in May, 2018, winning the 2018 CTBUH Construction Award of Excellence. The building is in the heart of Utah's financial services sector with Goldman Sachs as the current, largest lessee of the building.

# Venture Capital, Industrial Banking, and So Much More.

## Industry

- Utah is proud to be home to companies like **Goldman Sachs, Zions Bank, Discover Products, Wells Fargo, Fidelity Investments**, and many others. Utah is one of the top states in the nation for Financial Services employment with an employee base of over 99,000 people.
- Just two of Utah's efforts to align education and industry are the **Utah Association of Financial Services**, which promotes and fosters the financial services industry in Utah, and the **University Venture Fund**, which provides college students with opportunities to be engaged in real-world venture capital projects.
- Utah has a robust industrial banking industry. Utah is home to the **highest number of industrial banks** in the nation with 15 active chartered industrial banks, eight of which are in the top ten industrial banks in the country by asset size.

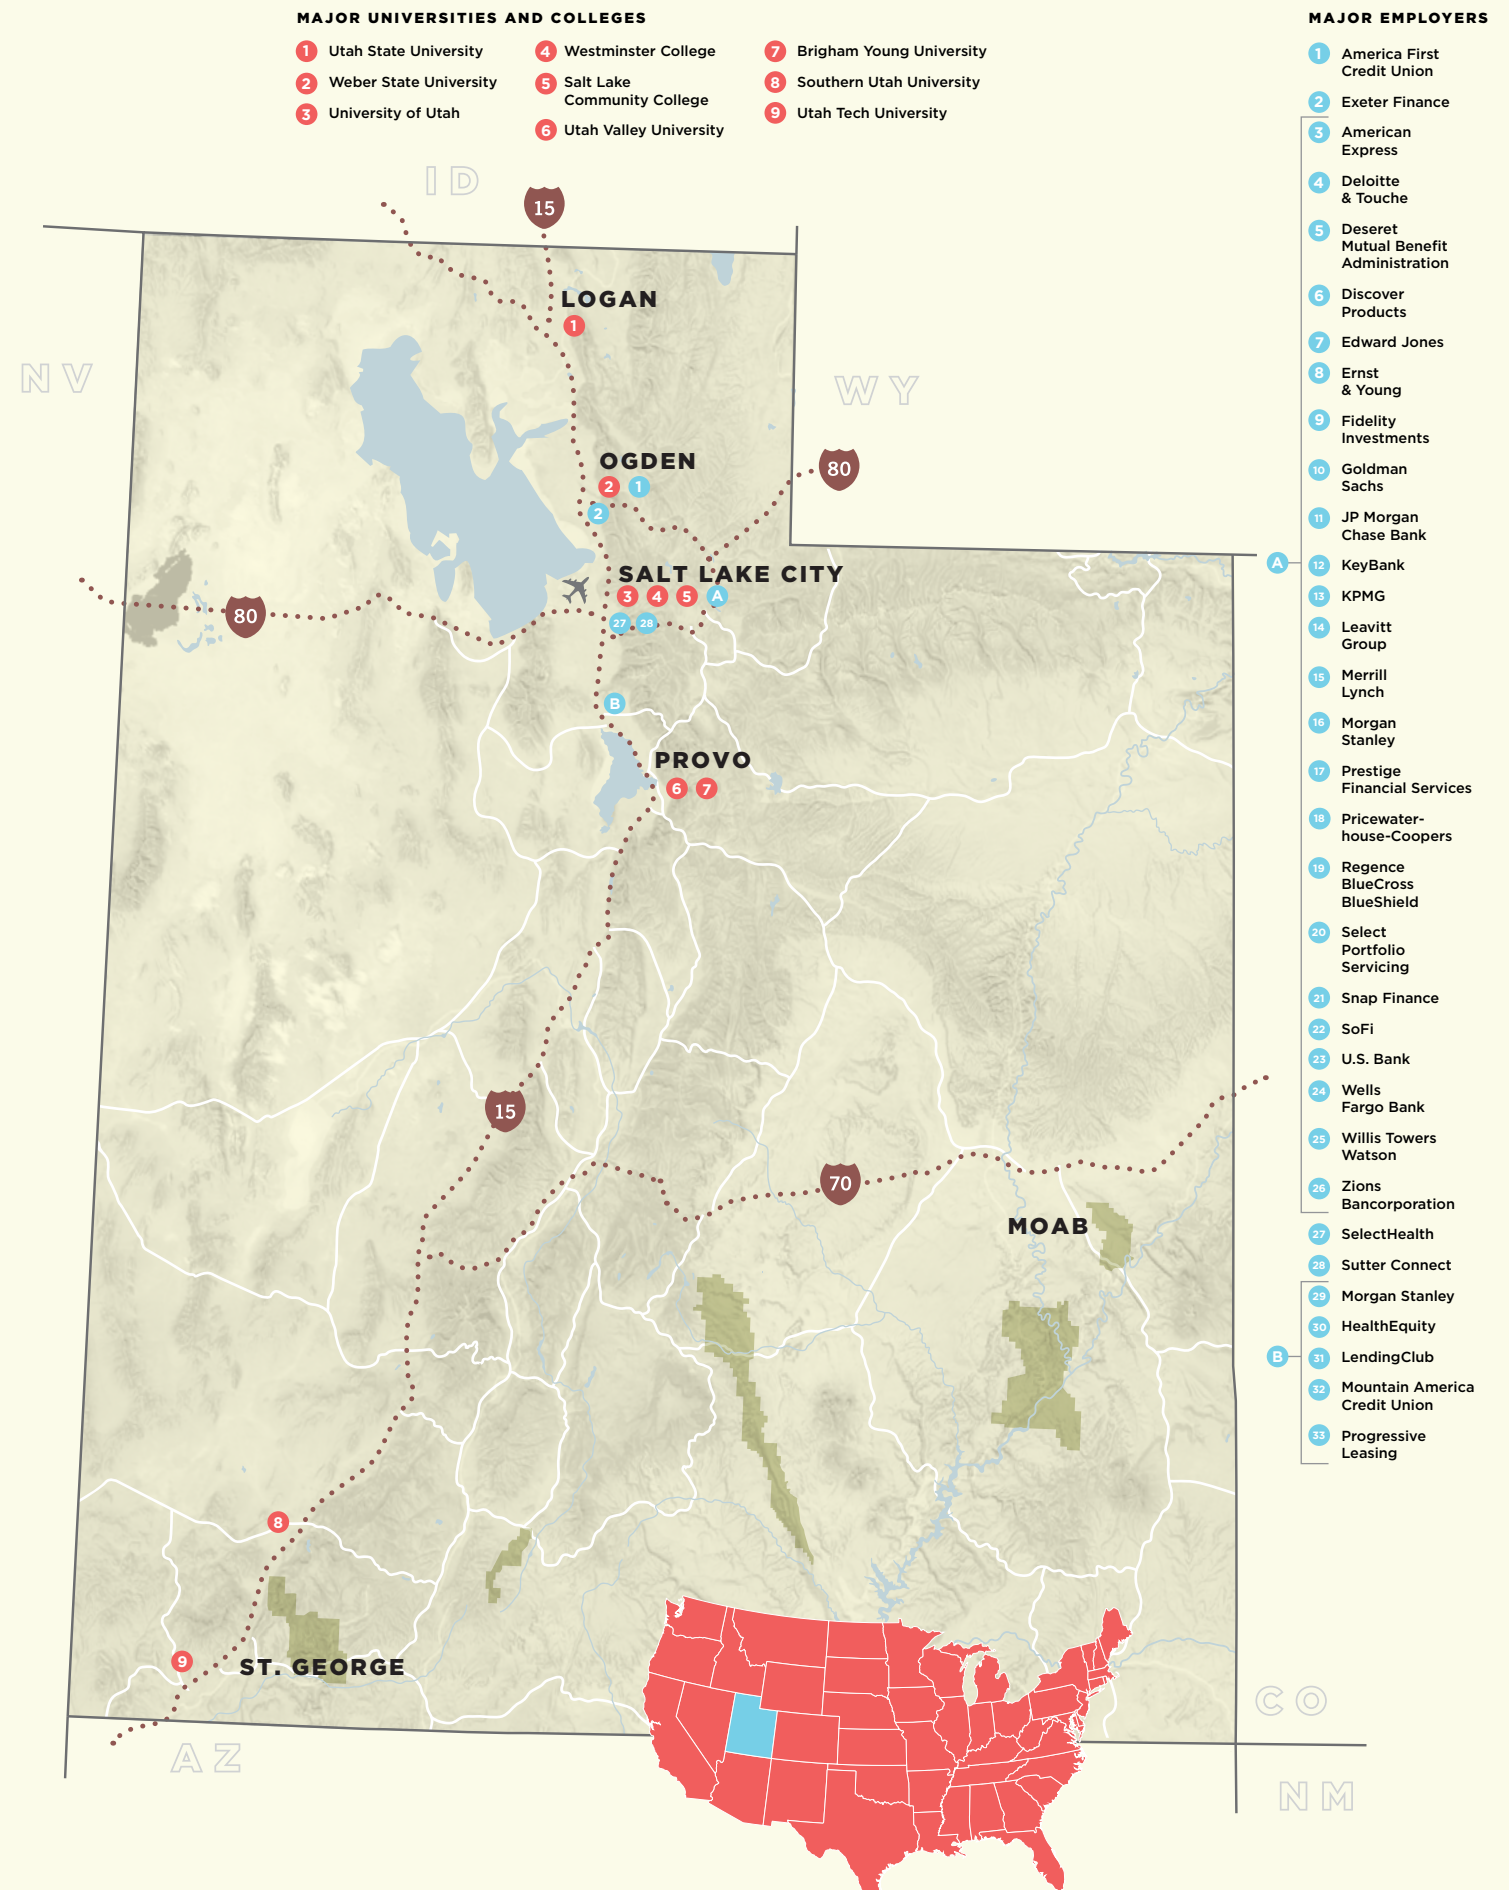

- In 2022, Utah's post-performance tax incentives program facilitated over **9,600 new jobs and more than \$760M in new state revenues**.
- In 2023, the Tax Foundation ranked Utah's Total Tax Climate as the **8th best in the nation**. Since 2011, Utah has eliminated or modified over 400 business regulations to ease the burdens placed on businesses.

## Workforce

- Utah's Financial Services industry has experienced **employment growth of 14.1% over the past 5 years**. The Governor's Office of Economic Opportunity has identified Financial Services as a targeted industry cluster for support and development in Utah, and a key area for economic investment.
- There are a wealth of financial services education resources in Utah, with **12 institutions offering programs related to financial services**. Brigham Young University is nationally acclaimed for their accounting and finance programs.
- Utah has an abundance of **Consumer and Commercial Banking** companies with more than 40,000 people employed in these industries.

## Business Climate

- US News ranked Utah the **#1 Best State Overall in 2023**. Utah also ranked 1st in Economy and Fiscal Stability.

Front and back of a \$5 gold piece from the Deseret Assay Office.

When pioneers first arrived in the Salt Lake Valley, U.S. coins and currency were hard to come by, so they followed the practice of the day and started minting their own.

Another popular movement of the time was the creation of new alphabets. The letter-forms surrounding the lion are part of the Deseret Alphabet developed under the direction of Brigham Young.

Utah's first chartered savings bank and trust company. Zion's Bank opened in 1873. This is their historic downtown location.

Square Inc's Cash App steadily grew in popularity during 2020. Revenue from Cash App increased by 353% year-over-year.

## Recent Announcements

Morgan Stanley

LoanPro

TAXbit

BlueVine

### **Utah Supports Expansion of Morgan Stanley (2022)**

Morgan Stanley announced plans to bring up to 800 new jobs, including an investment of \$1,000,000 in the growth of its organization in Utah over the next 10 years. Morgan Stanley is a pre-eminent global financial services firm that maintains leading market positions in business securities, investment management, and wealth management services. “Utah has been a key strategic location for Morgan Stanley since 1997, underscored by the recent E\*TRADE and Solium acquisitions, two growing businesses with extensive history operating in the state,” said Andrea Verkic Pranic, head of Morgan Stanley Salt Lake.

### **LoanPro to Expand its Headquarters in Utah (2022)**

LoanPro announced plans to expand its Farmington, UT headquarters, bringing up to 459 new high-paying jobs and \$45 million in capital investment over the next 16 years. LoanPro is a fintech SaaS company, providing both mid-market and enterprise lenders with a best-in-class Lending Core (software and cloud configuration). Its SaaS product provides a next-generation lending platform enabling lenders to be more efficient, organized, and streamlined.

### **TaxBit to Expand its Utah Location (2021)**

TaxBit, Inc announced plans to expand its facility in Utah, adding up to 1,700 new high-paying Utah jobs and \$70 million in capital investment over the next 10 years. TaxBit is a software that automates tax and accounting reporting for capital assets. The company provides tax reports and back-end accounting, working with some of the county’s most prominent brokerages and CPA firms.

### **Square Inc Charters Industrial Bank in Utah (2020)**

In March 2020, Square Inc received approval from the Federal Deposit Insurance Corporation (FDIC) and the State of Utah to open an Industrial Bank, also known as an Industrial Loan Company (ILC). This is big news for the U.S. fintech industry. It has been more than a decade since the FDIC has approved deposit insurance for an Industrial Bank.

### **Fintech Company BlueVine to Expand in Utah with New Operations Center (2019)**

BlueVine Capital Inc. will expand its operations in Utah, creating 1,449 new jobs in the next nine years. BlueVine offers a suite of products designed to meet the diverse financial needs of today’s business owners, including BlueVine business checking, line of credit, term loan and invoice factoring. BlueVine has provided more than \$2.5 billion in financing to small and medium-sized businesses since its founding in 2013.

# Areas of Excellence

“Areas of Excellence” are industry sub-sectors in which Utah has a competitive advantage due to our infrastructure, trained workforce, historical expertise, and community support. The diagram below shows the collaboration and interrelationship of Utah’s business accelerators, educational institutions, government initiatives, and companies within the financial services industry.

- 1

**The University Venture Fund (UVF)** is an investment firm that partners with well-known venture capital and private equity firms to provide college students with opportunities to perform real-time due diligence and engage in value-add projects.
- 2

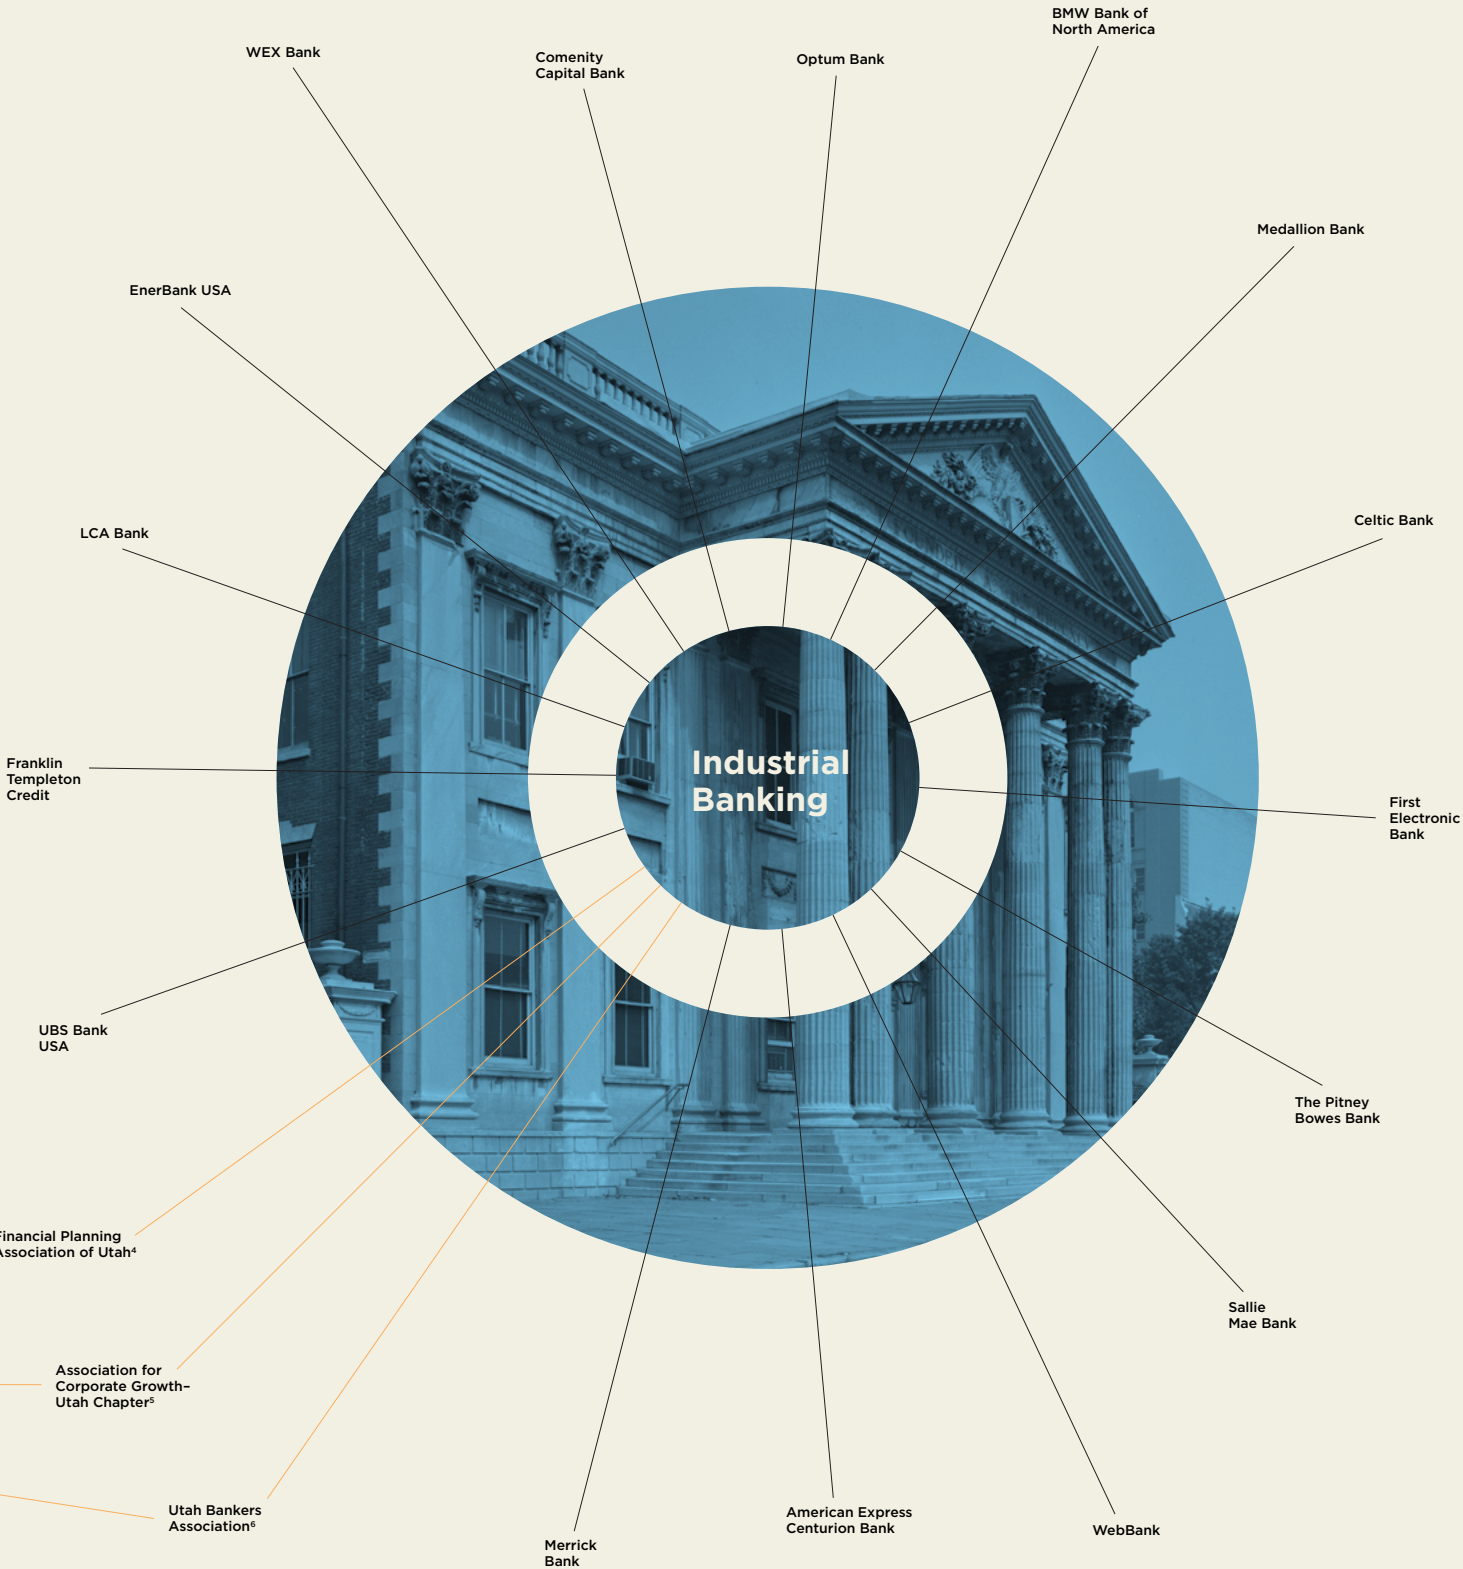

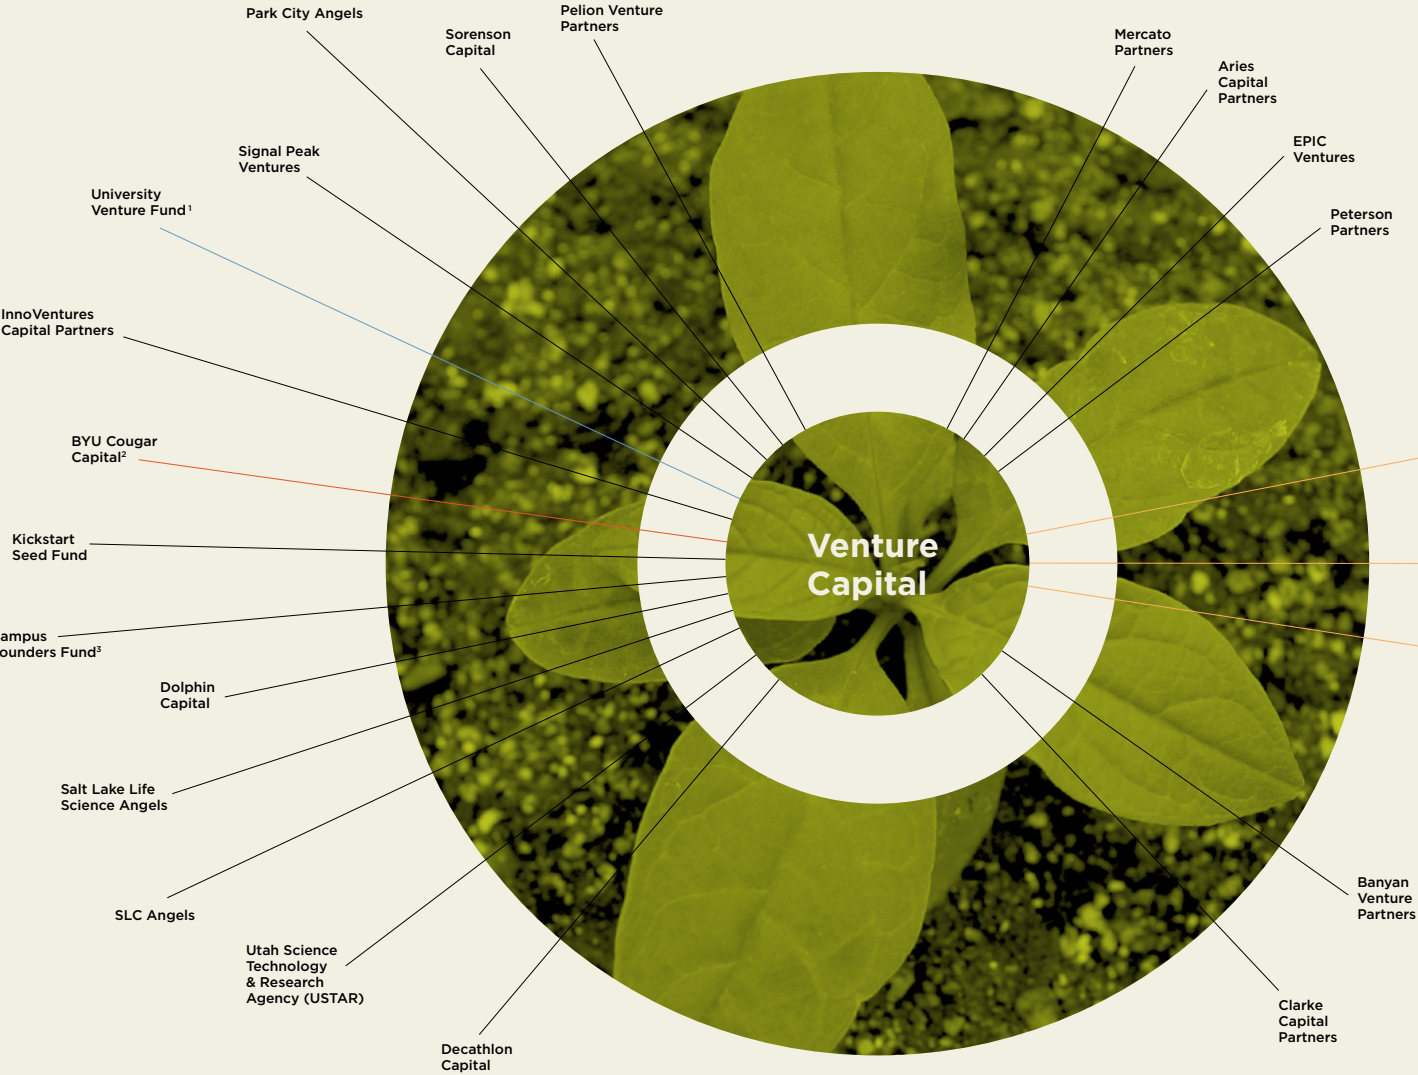

**Cougar Capital** is a venture capital and private equity fund run by 2nd-year MBA students at the Marriott School at Brigham Young University.
- 3

**The Campus Founders Fund** is run by exceptional students from all disciplines on different campuses that autonomously manage a \$500,000 venture capital fund.
- 4

**The Financial Planning Association of Utah** consists of over 27,500 members including financial planners, accountants, attorneys, bankers, charitable giving specialists, insurance agents, stockbrokers, money managers, investment consultants, executives, and others.
- 5

**Association for Corporate Growth–Utah Chapter** consists of professionals from private equity firms, lenders that invest in middle-market companies, as well as from law, accounting, investment banking, and others.
- 6

**The Utah Bankers Association** is the professional and trade association for Utah’s commercial banks, savings banks and industrial loan corporations.

# Education & Labor

## A State of Education

Utah is home to **12 major colleges and universities** and has an excellent talent pipeline of over **275,000** students. Bachelor's and graduate awards grew by **17% over the last five years**. Utah has an educated workforce, with over 93% of the population 25 or over with a high school diploma and over **36.8%** with a bachelor's degree.

## TOP THREE SCHOOLS FOR FINANCIAL SERVICES

## The Labor Picture

Utah's labor force is well educated, growing, and affordable. Utah **created over 60,000 jobs in 2022** and maintained one of the highest job growth rates in the nation throughout the year. Utah is the youngest state in the nation with a median age of 31.8 and has an average wage of \$57,300, which is **7% lower than the national average**.

Looking southward through the Salt Lake Valley. Forbes recently reported "Utah is looking like the new benchmark for business and quality of life. A rash of new studies and rankings is proving that the Beehive State is increasingly the place to be."
