

SIMPLIFY YOUR COLLEGE RESEARCH

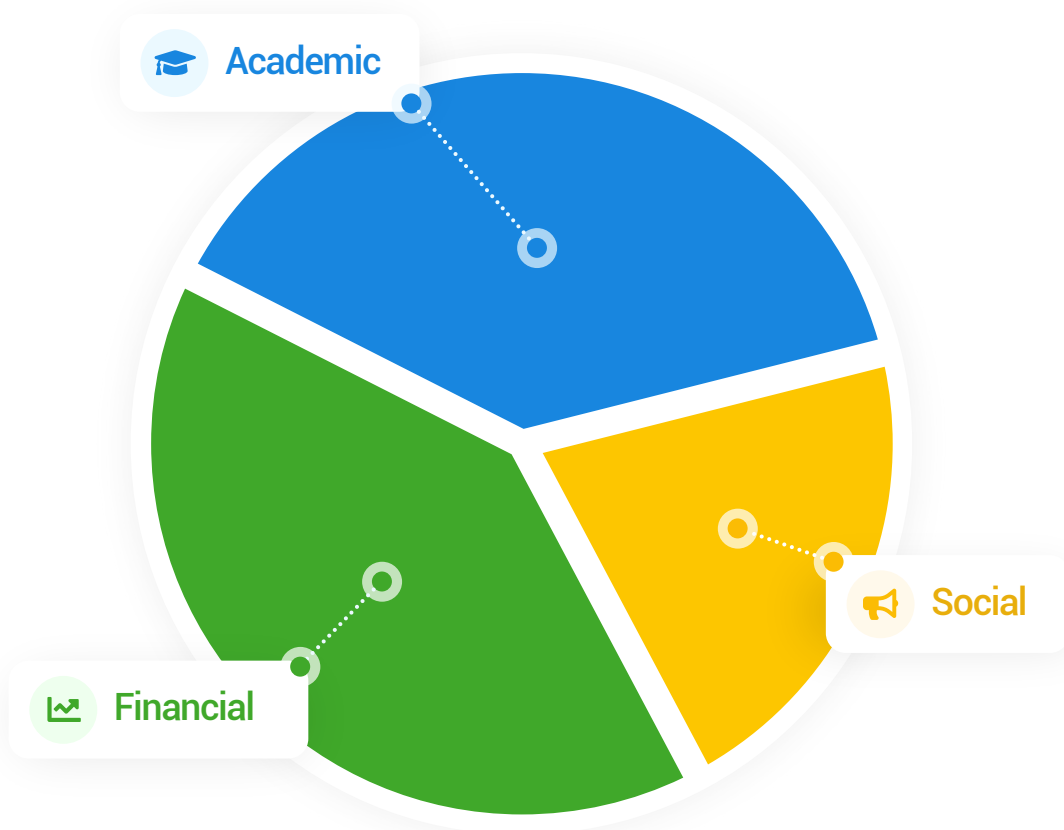

The Fit Pie Chart Worksheet for assisting the college selection process

Finding the college that will be the most suitable for your undergraduate course is the toughest decision you make during your student life. Use this worksheet to shortlist and apply to a college that will help you thrive and achieve your goals.

THE FIT PIE CHART

This chart will help you to zero down on your options for college admission.

FACTORS UNDER EACH CATEGORY:

Highlight the factors that matter most to you. Then match them with the shortlisted colleges and see how they score for each of these parameters.

FINANCIAL	ACADEMIC	SOCIAL
<input checked="" type="checkbox"/> Merit-based scholarship	<input checked="" type="checkbox"/> Majors (Specialization offered)	<input checked="" type="checkbox"/> Location
<input checked="" type="checkbox"/> Need -based aids	<input checked="" type="checkbox"/> Class size	<input checked="" type="checkbox"/> Campus size
<input checked="" type="checkbox"/> Return on Investment	<input checked="" type="checkbox"/> Support program	<input checked="" type="checkbox"/> Fraternities/ Clubs
<input checked="" type="checkbox"/> Placement facilities	<input checked="" type="checkbox"/> Study abroad	<input checked="" type="checkbox"/> Sports facilities
<input checked="" type="checkbox"/> Jobs on campus	<input checked="" type="checkbox"/> Internship	<input checked="" type="checkbox"/> Other activities
