Smyle

Smyle is a leading creative agency with a wealth of experience in delivering a variety of different events in the UK and internationally.

Home to brilliant people who are passionate about smart ideas, Smyle designs and deliver memorable, creative, brand-focused live events and media.

Smyle has won over 50 awards in the last 10 years, including UK Agency of the Year a record number of times in 2008, 2011, 2013 & 2016.

Smyle's rare setup ensures that brands and audiences get the experience they deserve, in the most efficient way. In-house teams & equipment provide clients with a unique combination of services including event & project management, event logistics, technical production, scenic design & construction, graphic & digital design, digital & online services, video production & animation and content creation.

Smyle create success for our clients by bringing together world class talent - the best strategic thinkers, creatives, technicians and experts in their fields. Together they think, design and co-create award winning solutions. They then hunt down and adopt leading edge technology to engage, involve and activate audiences worldwide.

Smyle delivers events around the world and operates out of 3 offices - Hertford, London and Florida. From experiential campaigns, internal engagements & conferences to global activations and sporting events we work across a diverse range of brands and projects. This allows them to share cross-sector expertise, innovation and insight - to benefit all our clients.

Smyle has built an unrivalled reputation within the industry for creating innovative proposals and delivering exceptional events over the years.

"The best ever feedback that we have had from a customer event. Can't wait to work with you again next year."
