Hope

Greetings to my Yarnell Community friends and family! Many have met me by now, I am Jimmy Miller, the new YRCC Executive Director. If we have not had the chance to meet, please stop by and say hello. I have really enjoyed getting to know you all and it has continued to reinforce my thoughts on the great community in which we live.

Spring is here! I love spring. New blooms, fresh starts, the air seems fresher, the days longer, and there is more HOPE. Hope that the Thrift Store will fully open up, and it is! Hope that Congregate Dining will return soon, and it will. Hope that we will be able to socialize more and restart events like Club Yarnell and its plethora of fun and educational activities. We are already thinking of new and exciting ideas.

Let me take just a moment to brag on some folks. Our volunteers are the BEST! No really, they are. I am continually humbled by their help and sacrifices for the sake of others. There is no doubt that we are "Better Together" as we work to nourish bodies, minds, and hearts. Gandhi is quoted as saying, "The best way to find yourself is to lose yourself in the service of others." I don't often go around quoting Gandhi, but I couldn't agree more with these words.

Thanks so much to everyone who joined in the fun of our annual March for Meals. We walked, talked, ate hotdogs, and had a lot of fun hanging out with old friends in addition to making some new ones. And most importantly, the event, through you, raised money for our Meals on Wheels program. Many who knew they couldn't make it to the event still made sure to give ahead of time to help make our *March For Meals* a success. I love our community.

Hope to see you around the center.

With admiration and appreciation,

Jimmy
