days of the week and hours of the day the employees will h for employees and seating is provided for customers, the we the day the restrooms will be available to both employees a	at available in the establishment. Agreements must state the ave access to the facilities. If a restroom agreement is needed ritten agreement must state the days of the week and hours of nd customers. provals), VIII (Labeling) and IX (Transport) of the Plan and						
In accordance with the provisions of all applicable health ordinances, rules and regulations, I hereby apply for a permit to operate a food service establishment. I attest that the information given in this application is accurate. I agree to allow the Chelan-Douglas Health District access to the establishment as specified under §8-402.11 and to the records specified under §83-203.12 and 5-205.13 and Subparagraph 8-201.14(4)(f). I understand:							
 Permits expire January 31 of each year. The applicant is responsible for completion of the permit renewal and notifying the Chelan-Douglas Health District of all changes in the food service establishment mailing address, billing address, and/or phone number. Re-inspection fees will be charged when additional inspections are made following unsatisfactory routine inspections, or if follow-up inspections are needed to confirm correction of high risk items. My food service must meet the requirements of the Chelan-Douglas Sanitary Code and WAC 246-215 - Rules and Regulations of the State Board of Health for Food Service. (Copies are available on request, or at www.doh.wa.gov/ehp/sf/Pubs/FoodRule/food-rule-working-doc.pdf). Permits are valid only for the food establishments approved Plan and Menu Review. Permits are valid for the designated owner and establishment street address. Permit fees are non-refundable and permits are not transferable. The health officer may require a food service establishment owner to limit or modify food preparation/service and may delete some menu items when the available facilities are inadequate.
