

RESOLUTION NO. 2021-004

**A RESOLUTION OF THE BOARD OF HEALTH OF THE CHELAN-DOUGLAS HEALTH DISTRICT
DECLARING A SOLE SOURCE EXISTS AND CONFIRMING AUTHORIZATION OF PURCHASES FROM
DUDE SOLUTIONS OF SMARTGOV PRODUCTS AND SERVICES.**

Whereas, the counties of Chelan and Douglas operate computer data systems that are able to share information with the Chelan-Douglas Health District (the "District"); and

Whereas, in order for the District computer based data systems equipment and software to be compatible with the two counties, it is important for the District to purchase subscriptions and services that will effectively communicate with the systems of the two counties; and

Whereas, both Chelan and Douglas Counties operate on the SmartGov platform which is only available through Dude Solutions; and

Whereas, the Board of Health at a Regular Meeting on October 18, 2021 delegated to the Board Chair, Vice-Chair, and District Administrator the authority to complete contracts and make purchases of SmartGov products and services from Dude Solutions based on the Administrator's finding that the products and services are only available through a single source; and

Whereas, RCW 39.04.280(1)(a) authorizes the District to make a sole source purchase provided that the District finds by Resolution that the products and services to be purchased are "clearly and legitimately limited to a single source of supply" which the District Administrator, Board Chair, Board Vice-Chair, and the District Board find to be the case; and

Whereas, the District Board finds that the purchases authorized at the October 18, 2021 Board Meeting and by this Resolution are in the best interest of the public health, safety, and welfare of the citizens of the District; now therefore,

**THE BOARD OF HEALTH OF THE CHELAN-DOUGLAS HEALTH DISTRICT HEREBY RESOLVES AS
FOLLOWS:**
