Mass Vaccination Site Moves Indoors Due to Heatwave

East Wenatchee, WA – The mass vaccination site at the Town Toyota Center in Wenatchee moves indoors during its last week of operations due to a forecasted heatwave.

The National Weather Service is forecasting temperatures of up to 110 degrees beginning Monday, June 28 through Sunday, July 4. Learn more about the forecasted heatwave at: <https://www.weather.gov/>.

The hours of operation at the Town Toyota Center will remain the same as usual:

- **COVID-19 vaccine clinic Monday through Thursday from 11 am to 6 pm;** and
- **COVID-19 testing Monday through Friday from 11 am to 6 pm.**

June 28 through July 1 are the last days of operations for the mass vaccination site at the Town Toyota Center in Wenatchee. COVID-19 testing will still be offered at the site.

Individuals seeking first or second dose vaccinations after July 1 are encouraged to contact their local healthcare provider or follow these steps to secure a COVID-19 appointment with Confluence Health:

- Dial 509-663-8711;
- Dial one (1) to get redirected to the COVID-19 hotline; and
- Dial one (1) to create your appointment.

CDHD wants to remind its residents that heat-related illnesses like heat strokes, heat exhaustion, heat cramps, sunburn and heat rashes are preventable. Learn about the symptoms and prevention measures at: <https://www.cdc.gov/disasters/extremeheat/warning.html>.

Stay cool, hydrated and limit outdoor activities to morning and evening hours. To stay informed on local public health, visit www.cdhd.wa.gov and follow CDHD on [Facebook](#), [Twitter](#) and [Instagram](#).
