## CDHD Temporarily Closes its Doors to the Public January 20 – 21

East Wenatchee, WA – The [Chelan Douglas Health District](http://www.cdhd.wa.gov) (CDHD) will temporarily close its doors to the public at 12:00 pm today, January 20 and all day Friday, January 21.

CDHD is prioritizing keeping the Town Toyota Center testing site open and making sure we have staff available to answer phones and support our community partners.

CDHD will continue to answer phone calls during this time, but please be aware that we continue to experience very high call volumes. It is extremely important that you follow CDHD's phone prompts carefully, so that your call is directed to the appropriate staff member.

We expect to see temporary closures from multiple different entities as the Omicron Variant peaks over the next two weeks. Thank you for your patience and understanding during this time.
