PARTY PLANNING CHECKLIST

Here are some notes to help you plan and make your child's birthday party the best party ever (we have actually heard those words from kids about our parties, BTW!):

- If you are having food at your party
 - For the morning party at 10AM-12PM, you will want to have the food at the end; so please ask the delivery to arrive by about 11:20AM.
 - For the afternoon party at 12:30PM-2:30PM, you will want to have the food at the beginning, otherwise, the kids start getting hungry about mid-way through. So please ask the delivery to arrive by about 12:20PM
- Please place your food orders at least a few days in advance.
 - For Flatbread, in particular, their oven takes 5-hours to heat up, so for the morning party, they will come in a little early to ensure your order is ready for you on time.
 - For Ben & Jerry's, please check with them, but their cakes won't typically need refrigeration for the time they are needed for our parties. In fact, their ice cream cakes are usually too hard when they come right out of the freezer.
- Please be sure to bring the following items:

<input type="checkbox"/> Cake Knife	<input type="checkbox"/> Napkins
<input type="checkbox"/> Food and/or Cake Plates	<input type="checkbox"/> Tablecloths
<input type="checkbox"/> Utensils	<input type="checkbox"/> Candles
<input type="checkbox"/> Juice Packs or Cups	<input type="checkbox"/> Decorations
- We do have some of these items, but they are emergency stashes that are leftover from other parties. We do have a lighter.
- Tables are 30x72." Typically, we will have 4-6 kids per table, plus a gift table and food table.
- We will schedule our staff to arrive at least 30-minutes ahead, so If you would like to come in early to decorate, no worries.
- Any additional questions, our info is below and we are happy to help! It's going to be a fun time! :)
