

On/Go Contract #09-11

Cooperative purchasing utilizes a lead agent to competitively solicit a master agreement that contains language to be utilized by a state or nationally. Doing so results in several benefits to its members to include but not limited to:

- Money savings
- Time savings
- Limited need for personnel to run and review solicitations
- Ability to obtain higher quality products
- Expertise on the solicitation process
- Lower prices due to volume of members
- Convenience
- Well written and reviewed T&C

NCPA'S Master Agreement Solicitation Process

The lead agent competitively solicits national master agreement for use by public agencies

The solicitation is advertised nationally for a minimum of 30 days

The solicitation has language that allows "piggybacking" for states whose laws allow intergovernmental contract use

The lead agent evaluates the responses and awards contracts
