## iHealth® Unified Care

Your personal care team connecting your home and doctor's office

---

How to add a Weight Scale Device

(Once added, no need to repeat before each measurement)

Unified Care Technical Support

(866) 899-3998

1 **Open the iHealth Unified Care App.**
**Tap "Profile" in the bottom right corner.**

Make sure your Bluetooth is ON
2   Tap on "My Devices"
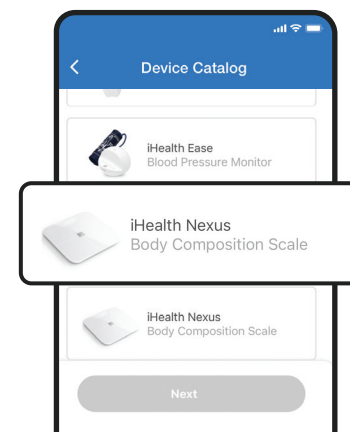

Then, you'll see a list of devices connected to your phone.
