

4G Mobile Plans Critical Information Summary

This document contains important information about your Comsource 4G Mobile Plan. It covers things like the length of your contract and how much you need to pay each month. Your plan is for post-paid 4G mobile service. It gives you access to our network, a mobile phone number, and lets you make and receive calls, send and receive messages, and have access to mobile data.

Minimum Term

The minimum contract term is 12 months unless specified otherwise on the service application form.

Inclusions & Exclusions

You can make unlimited standard national calls to fixed and mobile numbers, including unlimited voicemail retrieval, and calls to 1800 and 13/1300 numbers. You can send unlimited national SMS and photo MMS.

Your included value cannot be used for making calls or sending SMS to international numbers in countries not included in the Included International Calls section of this summary, video MMS, calls to satellite numbers, usage when roaming overseas, and special assistance numbers. These will incur excess usage charges to your monthly bill.

Calls and SMS/MMS to premium numbers (e.g. 19xx numbers), Sensis calls and other content charges (including third party charges) are barred.

Unused data expires each month and cannot be used while roaming overseas.
