Annual General Meeting will be held June 1

The LHHIA Board of Directors would like to remind all our members that you're invited to our Annual General Meeting of the Membership and Election of the Board of Directors on Wednesday, June 1, 2022, at La Habra Heights City Hall at 7 p.m. We'll hold a reception starting at 6 p.m., followed by the general meeting and election beginning at 7 p.m. Please join us.

Music in the Park starts June 22

Summer officially starts on June 21, and Music in the Park begins the following day: Wednesday, June 22 at 6:30 p.m. See the band lineup on pages 4 and 5—everything from classic rock to classic country, including performances from bands that will be playing in La Habra Heights for the first time. In our July issue of *Heights Life*, we'll reveal the identity of the "mystery band" that will entertain us on July 27.

We're grateful to our three Premium Sponsors for these concerts: NextMove Real Estate (Ray Fernandez), Los Angeles County Supervisor Janice Hahn and Matrix Oil. We're also grateful to all our Friends of Music in the Park community sponsors (we'll be telling you more about them in the near future). We sincerely thank LHHIA board member Monica Gunns for the many volunteer hours she has spent organizing our summer concerts.

Please note that our concerts will be conducted in accordance with the latest public health guidance from the Los Angeles County Department of Health and the City of La Habra Heights, and we thank you in advance for your cooperation.

Thanks for a great photo contest

As I mentioned last month, we received an excellent group of entries in our annual LHHIA Photo Contest, and our board of directors had the tough task of picking the winners, which are shown on pages 8 and 9. Please remember that we love seeing your photos of the Heights all year long, so please keep sending them to us at heightslifeeditor@gmail.com—your images may very well end up being published in the magazine.

Congratulations, graduates!

We're very proud of all our La Habra Heights graduates shown on page 10—and if your photo didn't make it into this issue, don't worry, because we'll also be featuring graduates in our July issue.

—Lynn Kelley

MAYOR'S CORNER

At our LHH City Council meeting on May 9, I had the honor of presenting to outgoing Mayor Dennis Laherty a city lapel pin designed and made by local jeweler Lance Geiger, who grew up in the Heights and still has family living here. This pin is given to an outgoing mayor only once, even though he or she may have served as mayor multiple times. (For me, it was an honor to receive the lapel pin back in 2011.)

I also had the privilege of presenting a plaque to show our city's appreciation to Los Angeles County Sheriff's Deputy Dan Deville, who will soon be retiring. Dan has been our deputy for more than eight years, and he has always done his job in a very personable and professional way. He will be missed. Deputy Clifford Chu, who is replacing Dan, was introduced to the council. We look forward to working with him.

The council adopted Municipal Code Ordinance 2022-02 into the La Habra Heights Municipal Code to help reduce organic waste disposal in accordance with state requirements (see my April "Mayor's Corner" in *Heights Life*). Because this ordinance will impact trash service pickup for Heights residents, *Guac Talk*, the city's free e-newsletter, will provide more information in the near future. If you haven't yet signed up for *Guac Talk*, I encourage you to do so at lhhcity.org.

Back in January, the home of a Heights resident was severely damaged by fire (see the March issue of *Heights Life* for details). The resident asked the city council for a temporary use permit to put a trailer in his yard that he can live in while rebuilding his house. He laid out a detailed plan showing that his rebuilding process will have minimal impact on other residents, and he presented a petition signed by his neighbors, all of whom approved his request—which confirmed what I have long believed: that La Habra Heights is all about friendly, caring and compassionate people. The council approved his request with some conditions, and we wish him the best during this difficult time.

The city thanks La Habra Heights Improvement Association for replacing, repairing and painting the doors on the gym at The Park. LHHIA board member Monica Gunns volunteered to oversee the project. It really makes a difference, and the new "shamrock green" color is quite attractive. The council will soon recognize this civic-minded work in a more formal way.

On behalf of my colleagues on the council, I offer our sincere congratulations to this year's graduates from La Habra Heights (see page 10). Your accomplishments—especially in the midst of a pandemic—are a source of great pride for our entire community, and we wish you every success in the future.

—Roy Francis

LHHIA PRESENTS

MUSIC IN THE PARK

2022

We're so glad to return to our full summer concert schedule after the pandemic forced us to cancel our 2020 concerts and shorten our schedule last year. So please join us on Wednesday evenings at 6:30 p.m. at our beautiful park in La Habra Heights (1885 N. Hacienda Road) for great music and community camaraderie! Our concerts are presented by La Habra Heights Improvement Association with the help of generous donations and sponsorships from our community partners. We're especially grateful to our Premium Sponsors: **NEXTMOVE REAL ESTATE (RAY FERNANDEZ)**, Los Angeles County Supervisor **JANICE HAHN** and **MATRIX OIL**. We're also grateful to all our **FRIENDS OF MUSIC IN THE PARK** community sponsors—we'll be telling you more about them in the future. If you'd like to be part of this year's sponsorship team, please mail your donation to LHHIA, P.O. Box 241, La Habra, CA 90631. We sincerely appreciate all contributions!

JUNE 22

4 ALARM

Get ready for a dance party when **4 Alarm** plays the hottest rock hits from the 1980s to today's Top 40. The SoCal-based band features Viennie V., pop singer and songwriter who has had two singles on the U.S. Billboard charts and has toured throughout the United States.

JUNE 29

All vocals performed live!

THE KINGS OF QUEEN

A tribute to the iconic band Queen and its incomparable lead singer Freddie Mercury, **The Kings of Queen** will literally rock you with all the rousing, anthemic hits that propelled Queen to worldwide fame. Here's your chance to sing, stomp and clap along with all your favorites!

JULY 13 ROUTE 62

Welcome to the Hotel California when the fine tribute band **Route 62** plays all your favorite, decade-spanning Eagles songs, ranging from early hits like “Take It Easy,” “Tequila Sunrise” and “Desperado” to later favorites that propelled the super group into the Rock & Roll Hall of Fame.

JULY 20 *Piano rock!* THE KINGS OF 88

A fun-filled collection of classic piano rock hits by Elton John, Billy Joel, Jerry Lee Lewis, The Beatles, Billy Preston, Little Richard, Leon Russell, Ray Charles, Stevie Wonder, Bruce Hornsby, Dr. John and many more. **The Kings of 88** have entertained audiences up and down the West Coast.

JULY 27 — *Jazz band to be announced*

AUGUST 3 *High-energy country!* DOO-WAH RIDERS

The **Doo-Wah Riders** define their sound as “high-energy country with a Cajun twist.” A mainstay band in Southern California for more than 44 years, this popular group showcases ultra-tight musicianship while playing classic and original songs, including tons of country favorites.

**Summer
starts on
June 21!**

Garden Plot

By Beverley Lepak, Horticulturist & Landscape Consultant

"I had that familiar conviction
that life was beginning over
again with the summer."

– F. Scott Fitzgerald,
The Great Gatsby

Tuesday, June 21, is the first day of summer *and* the Summer Solstice, the day with the longest period of sunlight all year. With longer daylight hours, we'll likely be spending plenty of time outdoors with family and friends to celebrate Father's Day, graduations and maybe even a traditional June wedding or two. Since kids will be home for summer break, they can give dad a well-earned day off by doing some gardening and chores, including cleaning up the barbecue grill. They can also plant some colorful flowers to attract butterflies, beneficial insects and even several delightful species of hummingbirds that buzz all around La Habra Heights in summertime.

FUN OURDOOR PROJECTS for THE WHOLE FAMILY

Plant easy-to-grow sunflowers! They grow fast, and their seeds can feed birds, chickens—and people! Plant a lovely summer butterfly garden with lots of milkweed, the culinary favorite of monarch butterflies. Look around for different kinds of caterpillars and chrysalises. Collect seeds and label the ones you find (check them out online). Trim back herbs (French tarragon, lavender, mint, oregano, rosemary, sage and thyme), save the trimmings and hang them upside-down in a cool, dark place to dry them out. Then store them in labeled jars. Keep your bird bath clean and full—birds will really appreciate it on hot, dry days—and make a list of different types of birds in your garden. You may be surprised just how many we have in the Heights! Photograph birds, insects and animals that visit your garden—you might even win a prize in the LHHIA photo contest (see page 8 for this year's winners).

SUMMER VEGETABLES & HERBS

Our bad drought conditions are probably going to get even more severe this summer, so you may need to reduce the size of your vegetable garden or even let it go fallow (not planting to let the soil "rest," which can be quite beneficial). But you can also conserve water by using a good layer of mulch, adding shade cloth and watering early in the morning to slow down evaporation. Hope for some "June gloom"!

This is the time to plant green beans, carrots, celery, collard greens, corn, cucumber, eggplant, green onions, melons, okra, parsnips, peppers, potatoes, pumpkins, radishes, rutabagas, sweet potatoes, squash, Swiss chard, tomatoes and zucchini. Sow seeds of basil, chamomile, chives, cilantro, dill, fennel, parsley and summer savory.

HEAT-LOVING ANNUAL FLOWERS

Add a splash of color to attract helpful insects, especially bees, that pollinate fruit trees and vegetables. Plant ageratum, aster, alyssum, black-eyed Susans, celosia, coreopsis, corn flowers, cosmos, dahlias, gaillardia, gomphrena, lobelia, marigolds, petunia, portulaca, saliva, snapdragons, vinca (aka Madagascar periwinkle), zinnias—and plenty of cheery sunflowers! For shady spots, plant begonias (both bedding and tuberous), caladium, coleus and impatiens (bedding and New Guinea).

BRUSH CLEARANCE & OTHER SUMMER TASKS

LHH Fire Department property inspections are underway in the Heights, so we all need to keep up on brush clearance and tree trimming to reduce fire risk. Don't forget the street frontage of your property. Remove low-hanging tree limbs and trim back all areas along pathways. Irrigate efficiently, checking for leaks and using timers. You might consider reducing or even eliminating your lawn—it's a tough choice, but we all need to find ways to conserve water. Deeply water trees and large shrubs instead of irrigating them a couple of times a week. Lightly water cacti and succulents. Some California native plants will start to go "summer dormant," so leave them alone until the fall.

Annual La Habra Heights Improvement Association **PHOTO CONTEST WINNERS**

Good timing is often a key element in good photography, and this year's first-place winner exemplifies that fact. **Christine Gallagher** was in the right place at the right time—fortunately with camera in hand—to capture a red-tailed hawk climbing out of her swimming pool after taking a little dip. We have a large hawk population in the Heights, and these beautiful birds frequently make excellent photographic subjects.

Because we allow three entries per person and our judging process is “blind”—i.e., judges see only randomly-numbered photos and do not know names of individual photographers until after results are finalized—we

FIRST PLACE • **Christine Gallagher**

SECOND PLACE •

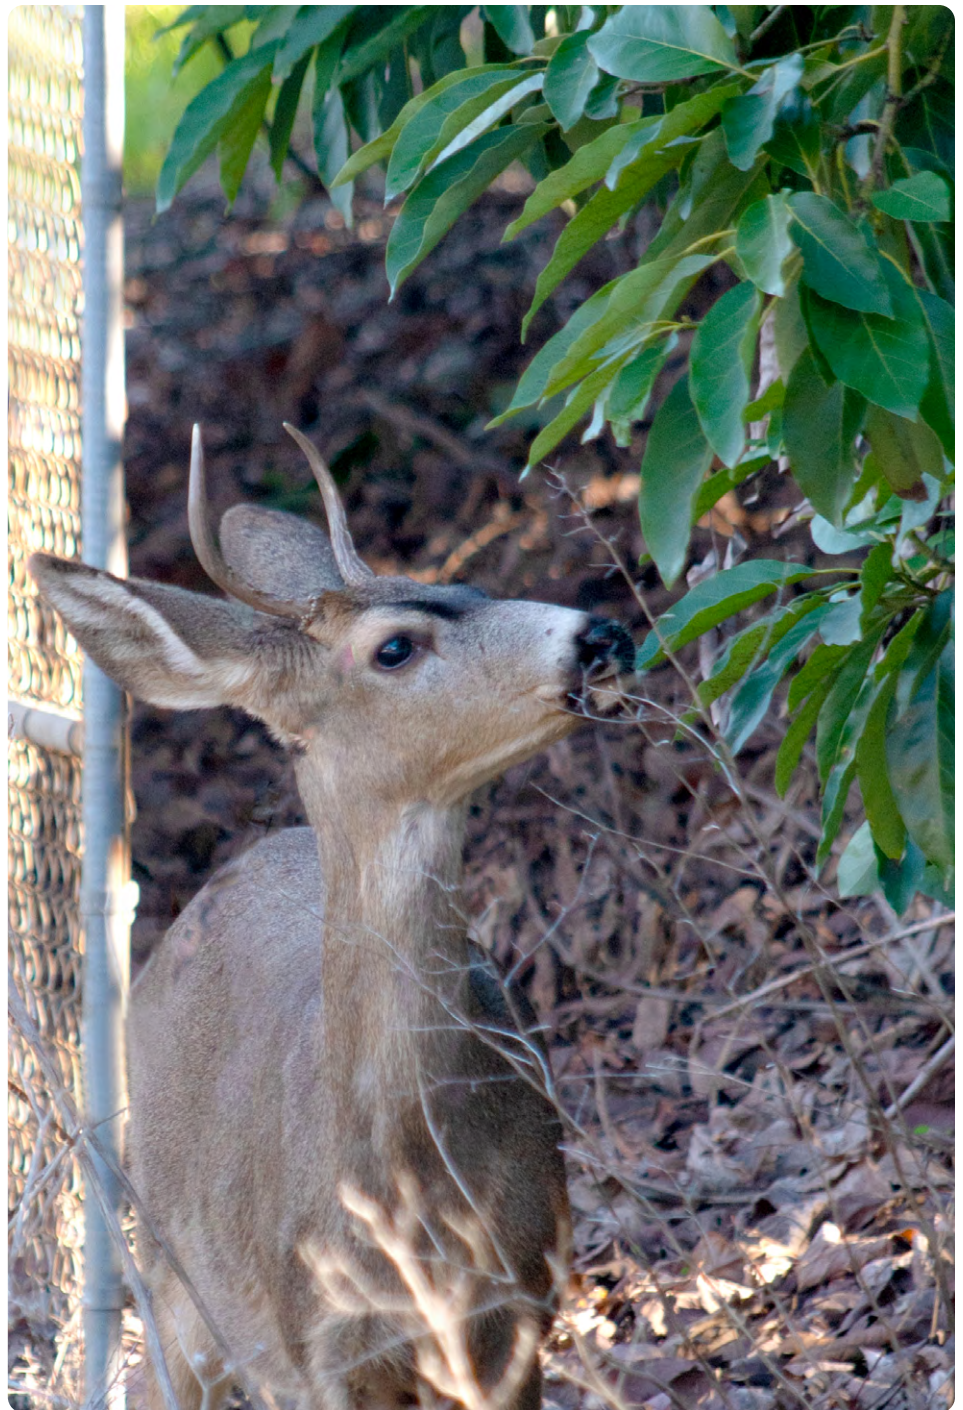

occasionally have one person receive enough votes to win multiple prizes in our annual LHHIA Photo Contest. That was the case this year when **Jodee Morgan** took both second and third places. Over the years, Jodee has won other first, second and third prizes in the contest, and one of her favorite subjects, photogenic young equestrians, paid off again this year to take second place. Her third-place winner is yet another example of good timing: she spied a young deer checking out an avocado tree and snapped his portrait.

Members of the LHHIA Board of Directors, who judged the contest, sincerely thank everyone who participated. We had plenty of fine entries this year, and we plan to publish as many of them as possible in future issues of *Heights Life*. Please remember that you don't have to wait until contest-time to send your photographs to *Heights Life*—we appreciate receiving them all year long, and we'll still be happy to enter them in our next contest if you wish and they comply with our contest rules. Please email your shots to heightslifeeditor@gmail.com.

• Jodee Morgan

THIRD PLACE • Jodee Morgan

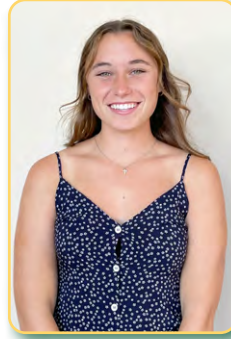

Congratulations!

to all our *outstanding* La Habra Heights graduates

Isabelle Alarid

A Los Compadres Scholarship winner, Isabelle graduated from Whittier Christian High School, where she was in multiple AP and honors classes, received a Career Program Diploma and was a member of the varsity soccer team. During her senior year, she held a part-time job and volunteered at her church. She enjoys working on cars, singing, drawing and photography. She will attend Fullerton College and study psychology and criminal justice.

Katelyn Lipham

A Los Compadres Scholarship winner, Katelyn graduated from La Habra High School, where she was a scholar-athlete, a member of the soccer and track teams, captain of the soccer team, a member of ASB, National Honor Society, Key Club, Best Buddies, Jesus Club, Kindness Club, and Link Crew. In La Habra Heights, she was active in Highland Riders. She will attend the University of Southern California, where she will study health and human sciences.

Lauren Kelley

Lauren graduated from Biola University on December 17, 2021, with a bachelor of science degree in nursing and a minor in Bible studies. She recently passed the nursing board examinations and will soon begin her nursing career as an emergency room nurse at Providence Holy Cross in Mission Hills, California, which serves San Fernando, Santa Clarita and Simi Valley communities. Also, Lauren married Andrew Bastidas on January 9, 2022.

Alejandro Mason

A Los Compadres Scholarship winner, Alejandro graduated from Troy High School. He was Freshman of the Year and Mechanical Head and Build President on the robotics team (Orange County regional champions). An Eagle Scout and Senior Patrol Leader, he was awarded the Order of the Arrow Vigil Honor. He achieved over 400 hiking miles, including on Mount Whitney. He will attend the Massachusetts Institute of Technology and major in mechanical engineering.

Andrew Kitley

Andrew Kitley is graduating from Sonora High School with a 3.9 grade-point average. A scholar-athlete, he received the Coaches Award as a member of the Sonora water polo team. He plans to attend Fullerton College as a first step in pursuing a degree and career in architecture.

Benjamin Sirota

A Los Compadres Scholarship winner, Benjamin graduated from La Habra High School. He was a Top 25 student, AP Scholar with Distinction, National Merit Scholar, math Student of the Month, CyberPatriot focused on cybersecurity and member of the National Honor Society, Heritage Honors Program, Science Olympiad Team and Key Club. He served in Navy Junior ROTC. Benjamin will attend the University of California, Santa Barbara, to study actuarial science.

Lauren Krynen

A Los Compadres Scholarship winner, Lauren graduated from La Habra High School and was Founding President of the Science Olympiad Team, a National Merit Commended Scholar, AP Scholar with Distinction, Rotary Club All-Around Top Student, Top 25 student, Key Club VP and historian, VP of Model United Nations, Link crew leader and assistant stage manager/actress, and member of National Honor Society and the tennis team. She will major in math at the University of Tennessee.

Evan Taylor

A Los Compadres Scholarship winner, Evan graduated from La Habra High School. He earned the ASB Most Spirited Award, logged the most service hours in National Honor Society, was a varsity golf team member, and was Homecoming King his junior year. He is an Eagle Scout. Evan will attend Fullerton College and later transfer to the University of Southern California to double major in psychology and finance.

Jordan Lipham

A Los Compadres Scholarship winner, Jordan graduated from La Habra High School, where she was a scholar-athlete, a member of the soccer and track teams, ASB, Link Crew, National Honor Society, Key Club, Best Buddies, Highstep Math Tutoring, and AP Heritage Program. In La Habra Heights, she was active in Highland Riders. She will attend the University of Southern California, where she plans to study biological science.

Tessa Young

A Los Compadres Scholarship winner, Tessa graduated from Troy High School. She won the California Scholarship Federation Award, was VP of the Leo Club, Publicity Chair of the Alzheimer's Association, an Autism Youth Ambassador, and a member of National Honor Society. She was in orchestra, marching band, drum line and yearbook and was the Founder of The 4U Project that assists the elderly worldwide. She will study journalism at Fullerton College.

Change your water... Change your life™

Not all water is created equal! Kangen Water® is delicious, healthful, hydrogen-rich water created by Enagic's innovative water technology that has been in successful use around the world for more than 40 years.

Invented and made in Japan, Enagic devices filter your tap water and produce seven different ionized alkaline and acidic waters through electrolysis. These specialized waters can be used for a variety of purposes, including drinking, cooking, beauty care and cleaning.

Many common health problems are related to excessive acidity in bodily fluids. Drinking alkaline water reduces this acidity and works to restore your body to a more balanced, healthful alkaline state. Plain water has a neutral pH of 7.0, whereas

alkaline Kangen Water has a pH of 8.5 to 9.5. Unlike tap water, Kangen Water has no unpleasant odor, has a pleasantly sweet flavor and feels light and more refreshing in your mouth. It's also much better for you than expensive bottled water—and better for the planet as well because you won't need to deal with plastic bottles that clutter the environment and harm the ecosystem.

When you prepare food and beverages with Kangen Water, you'll be pleased and surprised by how much it enhances flavors.

Heights residents Graciela & Steven at **Vital Ascensions** invite you to try these state-of-the-art Enagic devices and learn how they can improve your family's life.

Graciela & Steven, newly engaged La Habra Heights residents, will be glad to tell you more about the significant health benefits of proper hydration that you'll experience from switching from tap water and bottled water to pure, hydrogen-rich Kangen Water. In the last year alone, they have helped dozens of families make this healthful life change.

Get your free two-week water trial.

La Habra Heights Improvement Association is a 501(c)(3) volunteer organization (Tax ID# 95-2455456) that receives no funding from the City of La Habra Heights—so we rely on your annual dues and other donations to pay for our many community events and projects. Annual membership dues are:

- Regular: **\$35**
- Bronze: **\$75**
- Silver: **\$100**
- Gold: **\$250**
- Platinum: **\$500+**

Pay online at www.lhhia.com or mail your check (made payable to LHHIA) to: LHHIA, P.O. Box 241, La Habra, CA 90631.
