These financial statements should be read in conjunction with the notes to the financial statements.

Notes to the financial statements

For the year ended 31 December 2021

1 Reporting entity

The reporting entity is English Language Partners New Zealand Trust (the "Trust"). The Trust is domiciled in New Zealand and is a charitable organisation registered under the Charities Act 2005.

These financial statements and the accompanying notes summarise the financial results of activities carried out by the Trust.

2 Statement of compliance

The financial statements have been prepared in accordance with Generally Accepted Accounting Practice in New Zealand ("NZ GAAP"). They comply with Public Benefit Entity International Public Sector Accounting Standards ("PBE IPSAS") and other applicable financial reporting standards as appropriate that have been authorised for use by the External Reporting Board for Not-For-Profit entities. For the purposes of complying with NZ GAAP, the Trust is a public benefit not-for-profit entity and is eligible to apply Tier 2 Not-For-Profit PBE IPSAS on the basis that it does not have public accountability and it is not defined as large.

The Board of Trustees has elected to report in accordance with Tier 2 Not-For-Profit PBE Accounting Standards and in doing so has taken advantage of all applicable Reduced Disclosure Regime ("RDR") disclosure concessions, except for PBE IPSAS 1, Presentation of Financial Statements paragraph 116.1 and 116.2.

These financial statements are prepared under the assumption that the Trust will continue to operate as a going concern in the

3 Summary of accounting policies

The significant accounting policies used in the preparation of these financial statements as set out below have been applied consistently to the year presented in these financial statements.

3.1 Basis of measurement

These financial statements have been prepared on the basis of historical cost.

3.2 Functional and presentational currency

The financial statements are presented in New Zealand dollars (\$), which is the Trust's functional currency. All financial information presented in New Zealand dollars has been rounded to the nearest dollar.

3.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Trust and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received. The following specific recognition criteria must be met before revenue is recognised.

Notes to the financial statements

For the year ended 31 December 2021

Revenue from non-exchange transactions

Donations

Donations are recognised as revenue upon receipt and include donations from the general public and donations received for specific programmes or services.

Grant Revenue

Grant revenue includes grants given by other charitable organisations, philanthropic organisations and businesses. Grant revenue is recognised when it is received unless there are specific conditions attached that require repayment. In this case, Grant revenue is recognised when the specific conditions are met.

Bequest

Bequest income is recognised when received unless a specific obligation exists to return the funds or pay them to another party where funds are not spent in accordance with its specific condition.

Revenue from exchange transactions

English Language Group fees

Students attending English Language Groups (ELGs) pay a fee each term as a contribution towards the running costs of the group. Revenue is recognised at the time learners receive the service.

Pre-purchased English Language Tuition (PELT)

Revenue for PELT consists of revenue for English lessons delivered to students. Revenue is recognised as lessons are given by tutors or when a contract is closed. Revenue for Group PELT lesson is recognised at the end of each term.

Interest revenue

Interest revenue is recognised when investments mature or as interest from investments accrues, using the effective interest Business Contracts

Companies and other organizations purchase English Tuition for their staff and/or students. Revenue is recognised at the end of the contract.

Other operating revenue

Other operating revenue is all other revenue received. It consists of training and consultancy fees, business contract income, rental income and other sundry receipts. Other income is recognised upon receipt or invoice, which ever occurs earlier.

3.4 Financial instruments

Financial assets and financial liabilities are recognised when the Trust becomes a party to the contractual provisions of the financial instrument.

The Trust derecognises a financial asset or, where applicable, a part of a financial asset or part of a group of similar financial assets when the rights to receive cash flows from the asset have expired or are waived, or the Trust has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party; and either:

- the Trust has transferred substantially all the risks and rewards of the asset; or
- the Trust has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Notes to the financial statements For the year ended 31 December 2021

Financial Asset

Financial assets within the scope of NFP PBE IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through revenue and expenses, loans and receivables, held-to-maturity investments or available-for-sale financial assets. The classifications of the financial assets are determined at initial recognition.

The categorisation determines subsequent measurement and whether any resulting revenue and expense is recognised in surplus or deficit or in other comprehensive revenue and expenses. The Trust's financial assets are classified loans and receivables. The Trust's financial assets include: cash and cash equivalents, short-term investments, receivables from non-exchange transactions, long term investments and receivables from exchange transactions.

All financial assets are subject to review for impairment at least at each reporting date. Financial assets are impaired when there is any objective evidence that a financial asset or group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets, which are described below.

Loans and Receivables

Loans and Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial recognition, these are measured at amortised cost using the effective interest method, less any allowance for impairment. The Trust's cash and cash equivalents, short-term investments, receivables from non-exchange transactions, long term investments and receivables from exchange transactions fall into this category of financial instruments.

Impairment of financial assets

The Trust assesses at the end of reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

For financial assets carried at amortised cost, if there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The amount of the loss is recognised in the surplus or deficit for the reporting period.

In determining whether there is any objective evidence of impairment, the Trust first assesses whether there is objective evidence of impairment of financial assets that are individually significant, and individually or collectively significant for financial assets that are not individually significant. If the Trust determines that there is no objective evidence of impairment for an individually assessed financial asset, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is or continues to be recognised are not included in a collective assessment for impairment.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed by adjusting the allowance account. If the reversal results in the carrying amount exceeding its amortised cost, the amount of the reversal is recognised in surplus or deficit.

Notes to the financial statements For the year ended 31 December 2021

Financial liabilities

The Trust's financial liabilities include trade and other creditors (excluding GST and PAYE), employee entitlements, and deferred revenue.

All financial liabilities are initially recognised at fair value and are measured subsequently at amortised cost using the effective interest method.

3.5 Cash and cash equivalents

Cash and cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.6 Short term investments

Short term investments comprise of term deposits which have an original maturity term of greater than three months and mature within twelve months of balance date.

3.7 Long term investments

Long term investments are term deposits which have a maturity term of greater than twelve months from balance date.

3.8 Property and equipment

Items of property and equipment are measured at cost less accumulated depreciation and impairment losses. Costs include expenditure that is directly attributable to the acquisition of the asset. Where an asset is acquired through a non-exchange transaction, its cost is measured at its fair value as at the date of acquisition.

Depreciation is charged on a straight line (SL) basis over the useful life of the asset. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life:

Leasehold improvements
 Furniture and Fittings
 Office equipment
 Computer equipment
 4 - 10 years SL

Depreciation methods, useful lives and residual values are reviewed at each reporting date and are adjusted in the current year if there is a change in the expected pattern of consumption of the future economic benefits or service potential embodied in the asset.

3.9 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost.

Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortisation periods and the amortisation methods for intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits or service potential embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Notes to the financial statements

For the year ended 31 December 2021

The amortisation expense on intangible assets with finite lives is recognised in surplus or deficit as the expense category that is consistent with the function of the intangible assets.

The Trust does not hold any intangible assets that have an indefinite life.

Intangible assets comprise software licences and software development costs. The costs for the development of the student management software (SMS) have been capitalised and disclosed as an intangible asset in the statement of financial position.

The amortisation periods for the Trust's intangible assets are as follows:

Software LicencesStudent Management Software (SMS)10 years SL

3.10 Leases

Payments on operating lease agreements, where the lessor retains substantially the risk and rewards of ownership of an asset, are recognised as an expense on a straight-line basis over the lease term.

3.11 Employee benefits

Liabilities for wages, salaries and annual leave are recognised in surplus or deficit during the period in which the employee provided the related services. Liabilities for the associated benefits are measured at the amounts expected to be paid when the liabilities are settled

3.12 Income Tax

Due to its charitable status, the Trust is exempt from income tax.

3.13 Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except for receivables and payables, which are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the Inland Revenue Department is included as part of receivables or payables in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the Inland Revenue Department is classified as part of operating cash flows.

3.14 Equity

Equity is the community's interest in the Trust, measured as the difference between total assets and total liabilities. Equity is made up of the following components:

Accumulated comprehensive revenue and expenses (Financial Reserves)

These are earmarked to a Centre or National Office and are required for the day to day operation of the organisation. The Trust aims to hold sufficient reserve funds to meet six months of operating expenditure.

General Reserves

These are any reserves earmarked to a Centre beyond the accumulated comprehensive revenue and expenses.

Strategic Development Fund

These are reserves not tagged to a Centre or National Office that are available for new strategic initiatives.

Workplace Reserve

This money was a donation of \$86,075 that was received from the Industry Training Federation on the wind up of their organisation in 2020. The funds are tagged for workplace and language activities.

Notes to the financial statements

For the year ended 31 December 2021

4 Significant accounting judgements, estimates and assumptions

The preparation of the Trust's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and assumptions

No significant accounting estimates or assumptions have been made in the preparation of these financial statements.

Judgements

In the process of applying the Trust's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

Operating lease commitments

The Trust has determined, based on an evaluation of the terms and conditions of the arrangements, such as the lease term not constituting a substantial portion of the economic life of leased assets, that it does not retain all the significant risks and rewards of ownership of these leased assets and accounts for the contracts as operating leases.

5 Components of net surplus

Surplus before tax includes the following specific expenses:

	2021	2020
	\$	\$
Administration Expenses		
Audit	38,237	35,055
Functions and events	14,026	22,389
Insurance	37,197	36,889
IT related expenditure	125,831	162,415
Legal fees	59,506	19,160
Office supplies and administration	218,659	207,446
Power and gas	39,441	40,042
Rent and rates	583,421	587,512
Repairs and maintenance	60,534	57,878
Sharefest expenditure	860	752
Telephone	70,499	63,905
Travel and accommodation	36,322	49,917
	1,284,533	1,283,360

6 Auditor's remuneration

Grant Thornton New Zealand Audit Partnership did not provide any non-audit services to the Trust in 2021. (2020 \$0).

Notes to the financial statements

For the year ended 31 December 2021

7 Donated services

We are fortunate to attract considerable support for our work in the form of free services, discounts, donations in kind and in particular the assistance of many volunteers. We acknowledge all this support with much appreciation.

8 Revenue from non-exchange transactions - Tertiary Education Commission Funding

Non-current trade and other creditors	7,609	11,956
Employee entitlements	305,507	270,504
Accruals	166,146	85,155
TEC repayment provision	133,460	-
Funding received in advance (conditions attached per Note 3.3)	794,724	963,195
	1,539,141	1,424,006

20 COVID-19

On 11 March 2020, the World Health Organisation declared the novel coronavirus (COVID-19) outbreak as a global pandemic. The New Zealand Government (the government) implemented a range of public health and social measures to prevent and contain the transmission of COVID-19 which included restrictions on people movements.

The Trust was not classified as an essential service and closed its physical locations for the duration of alert levels 3 and 4 (i.e. the lockdown period). However, the Trust responded to the lockdown by moving its delivery mode for the lockdown period to a virtual model allowing it to continue to provide education solutions to most learners. As a result, the impact on service delivery targets were minimised.

Given the Trust had already secured TEC funding for FY2020, which did not alter as a result of COVID-19 related events, the Trust did not apply for any COVID-19 related grant relief funding that was available from the government, should income decline by more than 30%.

NZ had further lockdowns in FY2021, including an extensive lockdown period in Auckland. By offering virtual delivery in addition to its face-to-face classes, the Trust achieved 98.7% delivery on its TEC contract. The Trust undertook a COVID-19 risk assessment and moved to being a fully vaccinated site for its staff, which became effective in early FY2022.

Given the above, COVID-19 did not have a significant adverse financial impact on the Trust in respect of FY2020 or FY2021.

With matters relating to the pandemic still evolving, which includes continued border restrictions, the latest Omicron variant and the move away from lockdowns to the traffic light settings, the Trust expects there will continue to be an impact going forward, the effect of which is unable to be quantified at this time. The Trust will continue to monitor and adapt to manage the changing environment.

21 Events after the reporting date

The Board of Trustees and management are not aware of any other matters or circumstances since the end of the reporting period, not otherwise dealt with in these financial statements that have significantly or may significantly affect the operations of the English Language Partners New Zealand Trust (2020: None).

Notes to the financial statements

For the year ended 31 December 2021

22 Funding received in 2021

We greatly value the funding support we receive from the Tertiary Education Commission (TEC).

We would also like to acknowledge the following trusts, foundations, city councils and other organisations for awarding valuable funding support to our centres this financial year:

Adult and Community Education (ACE) Aotearoa, Albert Daniel Hally Trust, Auckland City Council, Kapiti Coast District Council, Catalytic Foundation, Christchurch City Council, Department of Internal Affairs, Dunedin City Council, East & Central Community Trust, Four Winds Foundation, Hawkes Bay Foundation, Helen Graham Charitable Trust, Horowhenua District Council, Hutt City Council, Hutt Mana Charitable Trust, Lion Foundation, Lottery Grants Board, Ministry of Social Development, New Plymouth District Council, Napier City Council, New Zealand Federation of Graduate Women, Nikau Foundation, Norah Howell Trust, Office of Ethnic Communities, Pelorus Trust, Pub Charity, Rātā Foundation, Rotorua Energy Charitable Trust, TEC Hardship COVID-19 Fund, Taupo District Council, The Presbyterian Synod of Otago and Southland, The Southern Trust, The Trusts Community Foundation, Thomas George Macarthy Trust, Trust House Foundation, Trust Waikato, United Way, Upper Hutt City Council, Waiora Community Trust, Wellington City Council, Wellington Community Trust, Whangarei District Council, Whanganui District Council.

23 Related Party Transactions Key Management Personnel

The key management personnel, as defined by PBE IPSAS 20 Related Party Disclosures, are the members of the governing body which is comprised of the Board of Trustees and Chief Executive, which constitutes the governing body of the Trust. The aggregate remuneration of key management personnel and the number of individuals, determined on a full-time equivalent basis, receiving remuneration is as follows:

	2021	2020
Total Key Management Personnel payments*	\$218,383	\$224,240
Number of FTE's	2	2

 $[\]ensuremath{^{*}}$ In 2020, two people were acting CE between 3 October and 6 December.

To the Trustees of English Language Partners New Zealand Trust

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of English Language Partners New Zealand Trust (the "Trust") on pages 2 to 16 which comprise the statement of financial position as at 31 December 2021, and the statement of comprehensive revenue and expenses, statement of changes in net assets and cash flow statement for the year then ended, and notes to the financial statements, including a summary of accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust as at 31 December 2021 and its financial performance and cash flows for the year then ended in accordance with the Public Benefit Entities International Public Sector Accounting Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Trust in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards)* (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Trust.

Trustees' Responsibilities for the Financial Statements

The Trustees are responsible on behalf of the Trust for the preparation and fair presentation of these financial statements in accordance with Public Benefit Entities International Public Sector Accounting Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees on behalf of the Trust are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the External Reporting Board's website at: https://www.xrb.govt.nz/assurance-standards/auditors-responsibilities/audit-report-8/

Restriction on use of our report

Grant Thornston

This report is made solely to the Trustees, as a body. Our audit work has been undertaken so that we might state to the Trustees, as a body, those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust and its Trustees, as a body, for our audit work, for this report or for the opinion we have formed.
