Primary schools and
organisations supported

15,050

Books donated

12,400

Children given access
to books

Charity News!

Acorn Book Club becomes ABC Book Club!

In an exciting development, Acorn Book Club has rebranded to become ABC Book Club! There's been a name and a logo change but everything else stays the same. Our main financial supporter remains The Acorn Group and our work in schools to provide books children can read for pleasure continues to develop and grow!

Project update - Cardwell Primary in SE18

When a team from Cardwell Primary visited a library ABC had created at its sister school Henwick Primary, they contacted ABC for support to build one for their pupils.

Using funds awarded by Greenwich council and funds raised by ABC supporters, we were able to create a brilliant woodland reading retreat. With friend of ABC, author Tom Mitchell cutting the ribbon, the launch was complete and the children are delighted with their new space.

New book drops!

Two new fabulous drop off points for books have been installed at Polhill Garden Centre and Bromley Football Club. Thanks to both venues for supporting ABC!

Upcoming projects

2024 will start with a bang when the libraries at Christ Church Primary SE18 launches in January and St William of York in Forest Hill launches in February!
