4TH DIMENSION COASTER

NO OTHER COASTER COMPARES

No other coaster on the planet compares with the 4th Dimension. This technological marvel controls passengers rotation on the outside of the vehicle as you roar around a 20-story maze of steel at a maximum speed of 76 mph. The ride offers 360° rotating seats and takes riders on a journey into unique and uncharted territory. The Los Angeles Times named X2 4th Dimension Coaster, "The Best Roller Coaster in the U.S."
