SUPPORT OUR SYNAGOGUE RESTORATION PROJECT

To our Berith Sholom Community,

Our welcoming and beloved community needs your immediate help to raise funds for our capital project. Margaret Harvey and David Gittelman are serving as co-chairs of the capital project working with our Chevrat Kayamoot, Sustainability Team.

Please consider a multi-year pledge to help us raise the funds needed for this capital project. Details about the capital project are available at www.berithsholomtroy.org

We are so grateful for your support. Please contact us if you have questions or would like to help us secure support for this critical project. Email us at Chevra@berithsholomtroy.org

Restoring

Our Community's Treasure

Please make a meaningful gift to support the restoration of our historic 151-year-old building. Help Berith Sholom remain strong for generations to come.

Our capital project includes:

- Addressing critical masonry and exterior repairs.
- Repairing the rosette and school windows.
- Removing the asbestos tiles from the sanctuary floor and installing a beautiful hardwood floor.
- Upgrading the lighting in the Sanctuary and throughout our building.
- Developing an engaging website and enhancing the sound and video in our Sanctuary to continue our virtual and in-person services and programs.

For more information on our capital project, please contact Capital Project Co-Chairs Margaret Harvey or David Gittelman, at margaretsharvey@juno.com

Our current yearly synagogue operating cost is \$301,000. If every member household paid an equal amount, the financial commitment to cover our costs would be \$2,700. We encourage members who are able pay closer to the true cost to do so. This allows us to welcome people who cannot afford a full commitment by funding our financial and scholarship aid program.
