

My name is Nathan Gillmore and I am running for re-election for a council seat. We have come a long way in the last 4 years with many things in motion and many things left to complete and achieve. I am thankful for the last 4 years of being able to serve the city and I would appreciate the chance to have another 4 years to be involved in the continuation of progress for the City of Elkhart.

I have lived in Elkhart with my family for several years. We love our town just like most of the community! It is the perfect place to raise children clear up through growing older or retiring eventually!

I can't wait to see what the years to come bring for our community!
