Empowered, resilient, screen-smart kids.
DEFEND YOUNG MINDS MISSION STATEMENT

Helping kids reject pornography and sexual exploitation.

We educate, encourage and equip parents, professionals and community leaders to defend young minds from the harms of pornography. We are devoted to developing excellent tools, including books, curriculum, articles, guides, courses and communities, to help raise empowered, resilient, screen-smart kids.

#1 Best-selling books
**Good Pictures Bad Pictures: Porn-Proofing Today’s Young Kids**

*Good Pictures Bad Pictures: Porn-Proofing Today’s Young Kids (2nd Edition)* is a comfortable, read-aloud story about a mom and dad who teach their child what pornography is, why it’s dangerous, and how to reject it. Using easy-to-understand science and simple analogies, this ground-breaking book teaches children ages 7 to 12 how to porn-proof their own brains.

Available on [Amazon](https://www.amazon.com).  

---

**Good Pictures Bad Pictures Jr.: A Simple Plan to Protect Young Minds**

*Good Pictures Bad Pictures Jr.: A Simple Plan to Protect Young Minds (2017)* makes it easy for parents to protect their young kids ages 3 to 6. Using gentle, age-appropriate messages, children will learn to Turn, Run & Tell when they are accidentally exposed to inappropriate content.

The Jr. version is a comfortable, effective way for proactive parents to empower their young kids with their first internal filter!

Available on [Amazon](https://www.amazon.com).  

---

**Good Pictures Bad Pictures Guidebook for Counseling Kids**

*Good Pictures Bad Pictures Guidebook for Counseling Kids* includes interventions that will empower a child’s defenses against pornography and sexual exploitation. It’s a must-have bibliography resource for any professional who works with children in mental health, educational or therapeutic settings. Includes: Therapeutic and Educational Interventions with Didactic, Artistic, and Kinesthetic Applications.

Available on [Amazon](https://www.amazon.com).
Love it! We have to give our kids tools to recognize danger in the digital world and empower them with tools to stay safe.

This book does an amazing job at equipping and empowering kids without instilling fear.

—Tiffany, Mother of Two
Amazon Review of Good Pictures Bad Pictures, Jr.

I was thrilled to find Good Pictures Bad Pictures.

As a parent, it makes opening that sensitive conversation as easy and loving as reading a book together. I love everything about it! It’s honest and open and calm and reassuring. What a beautiful way to empower and protect your child!

—Deanna Lambson

ABOUT THE AUTHOR
Kristen A. Jenson, MA

Kristen A. Jenson is the founder of Defend Young Minds and #1 best-selling author of the Good Pictures Bad Pictures series of read-aloud books which have translations in a dozen languages. She is also the executive producer of the Brain Defense: Digital Safety curriculum and the owner and CEO of Glen Cove Press, LLC.

Kristen is a positive voice for raising empowered, resilient, screen-smart kids who know how to reject pornography. She instills hope and confidence and leaves her audiences with pragmatic advice they can act on immediately to defend young minds.

Kristen has testified before the Washington State Senate Law and Justice Committee on the public health crisis of pornography and has raised her strong voice at international conferences and symposiums such as the United Nations Civil Societies Conference and the National Coalition to End Sexual Exploitation Global Summit. She is a trusted guest on a variety of media platforms as she speaks up for protecting children from pornography and all forms of sexual exploitation.

Kristen received her bachelor’s degree in English Literature and her master’s degree in Organizational Communication. She is a mother of three and grandmother of two, and currently lives with her husband and awfully cute dog in Washington State.

Connecting Parents & Professionals to Raise Screen-Smart Kids

Defend Young Minds® has built a global, online community of parents, educators, therapists and others who are passionate about defending today's kids from digital harms. We focus on relevant conversations surrounding parenting, internet safety, new tech, and associated news/legislation. We've created a specific Facebook group where parents can discuss personal experiences and support each other with encouragement and solutions.

Endorsements & Media

“Good Pictures Bad Pictures: Porn-Proofing Today’s Young Kids is spot on! Not only does it make starting a conversation about pornography easy, it also teaches kids why avoiding porn is so critical to their mental health. Most importantly, it empowers kids with a specific plan to use when they are exposed to it. I highly recommend it.”

—Sean Covey,
President, FranklinCovey Education and International bestselling author of The 7 Habits of Highly Effective Teens
“A remarkable and timely tool to teach the neuroscience of avoiding pornography addiction in a way kids can easily understand.”

—Donald L. Hilton, Jr. MD, Neurosurgeon and associate professor at the University of Texas Medical School, San Antonio, fellow of the American Association of Neurological Surgeons

“The Brain Defense: Digital Safety curriculum is one of the most important child protection measures that we take at the school. It was easy and comfortable to teach...The students and parents loved how engaging it was.”

—Grant Beckwith, Principal, American Heritage School

“Finally... a strong resource! Good Pictures Bad Pictures is a great tool for anyone who works closely with children!”

—Dawn Hawkins, CEO National Center on Sexual Exploitation

“Reading and implementing Good Pictures Bad Pictures with your kids isn’t an option: it’s a necessity.”

—Clay Olsen, Fight the New Drug

“I whole-heartedly recommend Good Pictures Bad Pictures to parents, grandparents, teachers and pediatricians alike. In a tech-savvy age, with even preschoolers at risk of exposure to our pornified culture, the greatest gift we can give our children is an internal filter.”

—Michelle A. Cretella, MD, FCP, President, American College of Pediatricians

“For the sake of the children, I wholeheartedly recommend Good Pictures Bad Pictures Jr. As a grandfather, father and pastor, I can think of no better gift for a child than the ability to reject pornography. Our kids’ future marriages depend on it. Every young child deserves to have this beautiful book read to them over and over again.”
