

Let The GAMES Begin

From an intimate corner of the bar to a game leaderboard or a meet-up mash-up with friends beside the food truck, GRETA is all about shareable cocktails, locally-sourced global street food, and throwing one mother of a party.

A SIP OF THE TONGUE

GRETA celebrates variety as the spice of life. It's a passion that extends from the friends in selfies to the beverages served at the bar. Wet your whistle with a plethora of premium cocktails plus clever concoctions from her four best friends and eighteen beers from around the world including ten from breweries right here in Edmonton. Wine lovers have nothing to whine about, with a choice of inspired labels.

FUN AND GAMES

GRETA is a game player torn at any time between the traditional and the state-of-the-art. Over fifty arcade style games range from World's Largest Pacman and Air Hockey to classics like Down the Clown and Wack and Win. Add a couple of big shooting games with pinball and there's something for everyone with a guarantee that you'll need multiple visits to play them all and pick your favourites. Perfect for team-builders, ice-breakers, birthdays, bachelor/bachelorette parties and available for pre-booking to ensure that you'll have all night to complete your climb up the leaderboard.

TAKING IT TO THE STREET

You can't party on an empty stomach. GRETA fuels the fun with a choice of fresh, locally sourced grab-and-go. Street food inspired from around the world is more than a match for the appetite you'll work up defeating Ms. Pac Man. Step up to the food truck window or sit down to be served restaurant-style. Platter and buffet style dining are also on the menu for groups focused on fun and determined to live up to the GRETA party reputation.
