

ELLIOT JAMES

INTERIORS

INTERIOR DESIGNER LONDON, UK

Elliot James Interiors is a multi award-winning global interior design practice with studios in London and Singapore, specialising in luxury interiors for residential and commercial projects.

Elliot James Interiors is looking for a mid-weight interior designer to join our fantastic London based team specialising in high-end residential interior design. This role is an excellent opportunity for a talented applicant to become an important member of a team where you will have real autonomy and take a key defining role. We are looking for a candidate with at least five years' UK-based experience for either a permanent, or freelance position.

Key skills:

- AutoCAD
- SketchUp
- Photoshop
- InDesign
- Google Suite
- Excellent level of written and spoken English

Responsibilities:

- Assisting the Creative Director to bring fresh and innovative ideas to the table to assist in the growth of Elliot James Interiors, London.
- Strong technical knowledge within interior architecture, FF&E, and meticulous attention to detail.
- Developing design concepts through a variety of media including mood boards, sample boards, sketching, computer 3D-modelling, 2D CAD drawing and concept presentations
- Researching and specifying finishes – creating presentations for all interior fixtures and finishes (such as materials, furniture and lighting)
- CAD for RCP, GA's, elevations and room plans including drawings for lighting/electrical design and construction and detailing
- SketchUp drawings for joinery designs as well as full rooms including panelling, windows and full interior architectural detailing
- Researching and creating FF&E designs and presentations including bespoke furniture designs
- Specifying and scheduling FF&E packages, liaising with suppliers and on-site coordination and installation

ELLIOT JAMES

INTERIORS

We are looking for a candidate with the following skills, abilities and qualities:

- 5+ years proven experience in residential and commercial interior design work with accompanying portfolio.
- Previous experience on luxury residential and commercial projects.
- A modern design outlook, we're looking for someone with a creative tasteful design aesthetic – our clients are looking for a luxurious eclectic style
- A strong organisational and administrative skills as well as working diligently with a strong eye for detail and a thorough problem-solving way of working
- Technically minded with experience in all stages of design projects from concept to tender to construction and handover
- Excellent presentation and drawings skills
- Works well under pressure – excellent time management skills and commitment to meeting deadlines
- Professional communication skills (both verbal and written) with the ability to work as part of a team and with our suppliers – strong organisation skills and not shy to chase/follow up suppliers plus liaise with our team and consultants
- Self-motivated and pragmatic with excellent initiative and ability to work independently as well as part of a team, whether remotely or in the office
- Interiors specification knowledge – suppliers and experience in sourcing interior architectural hard finishes and fixtures and FF&E
