

Effortless and Practical, the **CLAUDETTE LINE** offers a Simple Solution for Instant Order.

Our standard closet cabinet line will help you organize those unseen spaces.

Our Claudette closet cabinet line is a frameless 3/4" melamine particle board. Claudette is built with a rafix construction system and is offered in any of our standard melamine color selection options. Claudette is our entry level closet system.

Standard with it are hanging rods with finish selections available from our standard closet colors.

Accessories to further style your Claudette closet are available upon final selections.
