

NEAMA Annual Seminar April 11, 2024 at Mohegan Sun, Uncasville, CT Registration begins at 8:00am - Seminar Starts at 9:00am

Please join us for a full day of training and education within the Credit Union and Banking Asset Retentions & Recovery Industry.

This full-day training seminar provides an in-depth educational presentation for credit and collection professionals, focused on making sure you are prepared with the right knowledge to best meet your business needs and mitigate potential losses and/or litigation.

With the recent turnover in all industries, many of your teams have entry level employees that are new to the industry and training is critical to build a strong foundation for them. That's why we have designed this seminar to not only keep seasoned employees and leadership up to date, but also address fundamentals and "back to basics" education. All members of your staff will benefit from this full-day seminar!

FEATURED TOPICS:

Keynote Speaker: Blaine Rada, Sr. National Trainer & Instructional Designer, ARCH MI: Express and Impress: Leadership Lessons from "America's Greatest Thinker."
