

MV-RF

METAL VENT - RECTANGULAR FLAT

OsecoElfab's MV-RF is an all-metal explosion vent for use where product build-up is a concern.

Buy online - 10 day lead time
for common sizes

OsecoElfab's MV-RF explosion vent is an all metal design using a stainless steel controlling membrane (no fluoropolymer).

No holes or slits are visible, which makes the MV-RF vent excellent for applications, such as bag houses or bulk storage units, where product build-up may be a concern.

The vent may be exposed to system pressures up to 60% of the stamped burst pressure.

The MV-RF is also available with FDA-approved gaskets for use in sanitary service applications.

Size Range

- 8" x 8" to 44" x 69"

Set Pressure Range

- 0.2 psig to 10 psig

Warranty

- 1 year warranty as standard

Common Applications

- Applications where product build-up is a concern

Let us help you with all
your pressure relief questions.

TECHNICAL SPECIFICATIONS

Size range	8" x 8" to 44" x 69"
Set pressure range	0.2 - 10 psig (0.014 - 0.68 barg)
Operating Ratio	60%
Burst Tolerance	+/-0.5psig over 2 psig; +/-0.25 psig at or below 2 psig
Standard materials	316 Stainless Steel Silicone Sealant Neoprene Gasket (other gasket materials, including FDA gaskets, are available)
Fragmentation	Non-fragmenting design
Vacuum Service	Higher vacuum resistance than any other flat vent design
Design Standards	Meets NFPA 61 and NFPA 68 regulations
