In every generation, God's unseen hand is working all things together, for our good, and to His glory.

Three Observations from the Desert

1.	In every generation, God is known for His provision. (Deuteronomy 29:1-18)
2.	Israel was given a way to commemorate His provision. (Leviticus 23:33-37)

3. Jesus announced that He is the provision. (John 7:37-39)

Discussion Questions:

- 1. What role does rejoicing have in your life? Would you say it is something you practice? If so, how? If not, why not?
- 2. Share with others about a time God remained faithful and at work when you were not following Him or were distracted with other things. What was His provision. Take time to write them down as a group.
- 3. Why is it significant that God uses ceremonies that foreshadow His future provisions? How does Lord's Supper impact your thoughts, mood, and motivations?
