Dear Ms von Molendorff

RE: REGISTRATION OF CAMBRILEARN WITH SACAI FOR 2023

SACAI takes great pleasure informing you that your registration with SACAI as an NSC Institution for 2023 has been approved. You are permitted to enrol grades 10 and 11 learners for the 2023 academic year, and after the successful completion of the said academic year, you will be permitted to offer grade 12 in 2024.

We look forward to building a trusting and long working relationship with **CambriLearn** during the CAPS curriculum.

CambriLearn will receive a registration number on a certificate in the beginning of 2023.

Welcome to the SACAI family.

Kind regards

KN Maseko
