

## Make a difference to children and enjoy a day of golf!

**You can change lives of children, youth and adults who need your help to overcome mental health challenges and create pathways to success.** Every year, close to 5,000 people from almost every county in Arkansas come to the Centers for healing programs that range from psychiatric residential care to outpatient counseling.

Children and youth in residential care at The Centers may be in foster care, underage survivor of human trafficking, struggling with suicidal ideation or substance abuse, stepping down from acute care or in need of more care than can be provided in outpatient counseling. Every day, we are home to 82 boys and girls in Little Rock and 26 boys and girls at the Southeast Residential Center in Monticello. We have the largest Therapeutic Foster Care program in the state, with 60 families caring for 75 children every month. We are a national resource center and residential healing program for survivors of human trafficking. School-aged youth and adults benefit from our day treatment and outpatient care. Your gift changes lives of people in need in your community.

*Art by a young resident  
of The Centers*

Let me tell you about one person who you will help. *Tracy's mother died in a car crash when she was very young. Her father was never involved in her life.*

*While living with her grandparents, her grandfather abused her and exploited her to others. Tracy lived at The Centers, where she could begin to heal from trauma. She needed the care that our highly trained clinicians, psychiatrists, nurses and teachers are trained to give to each child in our care.*

Because of your generosity, Tracy made progress. She graduated from The Centers' residential treatment program and now has the stability she needs to create a safe and happy future.

You help Tracy and hundreds like her!

**You are invited to sponsor the 34th Annual Centers Classic Golf Tournament on Monday, September 23, at Pleasant Valley Country Club.** Be part of this tradition that includes breakfast, lunch, snacks, awards reception, raffle, the best weather, team photos and having fun while doing good!
