# Trusted Support

That is There When You Need it

*Comfort Keepers partner with you and your support network and work as a team to ensure you are able to reach your goals.*

## About Comfort Keepers

Comfort Keepers is a world leading in-home support organisation with over 15yrs experience delivering services in the Home and Community. We provide a range of in-home Support and Community Services that are specifically designed to assist you to remain in your own home, connected to your work, family and friends.

Our team of support staff are professionally trained to ensure the standard of support and services we provide not only meets the latest National Standards for Disability Services but more importantly exceeds the expectations of our clients by making a positive difference to your lives. Whether it's for just a few hours as a one-off service or ongoing services, we partner with clients and their families to create a program that provides the perfect balance of quality, service and value.

## Our Services

Comfort Keepers offers a range of support services that can be tailored to meet your specific needs and requirements.

If you require a service that is not on the list, talk to one of our Home Care team for more information.

- Assistance with personal activities
- Assistance in daily activities
- Household Tasks
- Participation in community, social and civic activities
- Transport

## We can come to you

If you require more information on the range of services we provide, or would like a no obligation consultation of your in-home support requirements, call a Comfort Keepers team member today and one of our Client Service Co-ordinators will arrange a time to meet with you.
