

MUTANTS IN THE NOW!

The edition notation can be found to the bottom-right of the first page, with month and year. The third printing requires no errata as of this time, and errata is incorporated into the current PDF.

ERRATA FOR MUTANTS IN THE NEXT (FIRST PRINTING)

Broad text corrections include:

- * Replace "Crow" with "Crow, American".
 - * Replace "Independent Flight" with "Independent Wings".
 - * Add the minor trait "Lidless Sleep: Eyeguard*" to the following species: Ladybird (pg. 78), Mosquito & Moth (pg. 80).
- Page 11, "Step #5: Let's Mutate (Option IV)": Replace "pg. XX" with "pg. 44".
- Page 17, "Mutation and Autonomy (second paragraph)": Replace "his expansion" with "this expansion".
- Page 17, "Simple Rules vs Complex Evolution (second paragraph)": Replace "flatworms" with "flatworms".
- Page 18, "Table B-9: Deliberate Mutation": Replace "51-70" with "51-80".
- Pages 20-21, "Table K-2: Adult Opportunities": Replace "+85 to +95" with "+86 to +95", replace "+95 to +110" with "+96 to +110", and replace "+110 to +150" with "+111 to +151".
- Page 23, "Table L-3: Privileged Youth (spoiled)": Replace the text with the following: "You've gotten everything you wanted, but probably never learned to appreciate it. Gain three hobby skills, +1 Determination, +1 Endurance, +1 CTCT, one extravagant gimmick, and +10% on B-9: Wealth II."
- Page 30, "Table L-8: Trade Occupations (commerical pilot)": Replace "gain two skills" with "advance two skills".

- Page 51, "Thyreophoric (special)": Replace "Club*" with "Macetail*".
- Page 70, "Duck, Mallard (minor traits)": Add "Aquatic Sight".
- Page 76, "Dog, Pug": Replace "Basic Traits" with "Major Traits". Add "Basic Traits: Canidae, Carnivore".
- Page 82, "Shark, Great Hammerhead (tilted transit)": Replace "Cephalopoil" with "Cephalofoil".
- Page 89, "Prehensility: Chelipeds": Replace "trasping" with "grasping".
- Page 109, "Telepathic Assimilation": Add [Deception] to the title.
- Page 109, "Telepathic Bond": Add the following as a second paragraph: "This takes physical contact and a full dramatic scene to establish. Creating a bond costs 1 WILL and reduces one's maximum WILL by 1 from each member for two participants, plus an additional cost of 1 WILL and reduction of 1 maximum WILL from each participant participating; a bond with four members costs 3 WILL for each and reduces the maximum WILL of each by 3. This cannot be done by taking a cost, nor can T-WILL or P-WILL be used for it."
- Page 116, "Next Fighting Styles (first paragraph)": Replace "16-17" with "52-53".
- Page 116, "Bajiquán (core ability)": Replace the text of the ability with the following: "When you inflict damage with a melee maneuver on an

- unbalanced foe, add a damage die of your choice. If repositioning an unbalanced foe, you may gain +A instead."
- Page 116, "Bajiquán (base ability)": Replace "any damage dice" with "any damage dice from a melee maneuver".
- Page 116, "Desperate Prey (base ability)": Rename the base ability from "snap" to "punish".
- Page 116, "Okichataw (base ability)": Replace the text of the ability with the following: "When you successfully hit a foe with a melee maneuver or thrown weapon, you can spend 1 WILL to force them to make a saving throw (in place of the WILL they would spend). When using a weapon with the hand type, increase the difficulty of saves against your maneuvers by its glancing damage."
- Page 118, "Liúlàngjiào (special)": Change "Human-born and human characters that reduce" to "Characters that reduce their skills to take a street fighting style (an option for human-born and human characters) can't select Liúlàngjiào."
- Page 120, "Politics (optional skills)": Replace "Distract" with "Mislead".
- Page 135, "Liu Min Jiao": Replace the title "Liu Min Jiao" with "Liúlàngjiào".
- Page 170, "Gartbidge (animal)": Replace "Passeriformes" with "Passerine" in both instances.

ERRATA FOR MUTANTS IN THE NEXT (SECOND PRINTING)

Broad text corrections include:

- * Replace "Crow" with "Crow, American".
 - * Replace "Independent Flight" with "Independent Wings".
 - * Add the minor trait "Lidless Sleep: Eyeguard*" to the following species: Ladybird (pg. 78), Mosquito & Moth (pg. 80).
- Page 11, "Step #5: Let's Mutate (Option IV)": Replace "pg. XX" with "pg. 44".
- Page 18, "Table B-9: Deliberate Mutation": Replace "51-70" with "51-80".
- Pages 20-21, "Table K-2: Adult Opportunities": Replace "+85 to +95" with "+86 to +95", replace "+95 to +110" with "+96 to +110", and replace "+110 to +150" with "+111 to +151".
- Page 23, "Table L-3: Privileged Youth (spoiled)": Replace the text with the following: "You've gotten everything

- you wanted, but probably never learned to appreciate it. Gain three hobby skills, +1 Determination, +1 Endurance, +1 CTCT, one extravagant gimmick, and +10% on B-9: Wealth II."
- Page 30, "Table L-8: Trade Occupations (commerical pilot)": Replace "gain two skills" with "advance two skills".
- Page 51, "Thyreophoric (special)": Replace "Club*" with "Macetail*".
- Page 70, "Duck, Mallard (minor traits)": Add "Aquatic Sight".
- Page 76, "Dog, Pug": Replace "Basic Traits" with "Major Traits". Add an additional section: "Basic Traits: Canidae, Carnivore".
- Page 82, "Shark, Great Hammerhead (tilted transit)": Replace "Cephalopoil" with "Cephalofoil".
- Page 109, "Telepathic Assimilation (10 GOO-P)": Add [Deception] to the title.

- Page 109, "Telepathic Bond": Add the following as a second paragraph: "This takes physical contact and a full dramatic scene to establish. Creating a bond costs 1 WILL and reduces one's maximum WILL by 1 from each member for two participants, plus an additional cost of 1 WILL and reduction of 1 maximum WILL from each participant participating; a bond with four members costs 3 WILL for each and reduces the maximum WILL of each by 3. This cannot be done by taking a cost, nor can T-WILL or P-WILL be used for it."
- Page 116, "Next Fighting Styles (first paragraph)": Replace "16-17" with "52-53".
- Page 120, "Politics (optional skills)": Replace "Distract" with "Mislead".
- Page 170, "Gartbidge (animal)": Replace "Passeriformes" with "Passerine" in both instances.
