Learn About The Caribbean Islands:

Make an Earth Day list poem!

How to make a list poem:

1. Create a list of keywords in the categories below.
2. Then, put together all of your words to make a poem! Take each word from column 1, 2, and 3 to complete an Earth Day poem starting with "Give thanks to our Earth for..."

Things you can see outside your window that are part of nature on the ground or in the sky.	Words that describe the item in Column 1: color, texture, or shape.	Words that describe what the item in Column 1 does.
<p>Example:</p> <p>Trees</p> <p>Clouds</p>	<p>Example:</p> <p>green</p> <p>fluffy</p>	<p>Example:</p> <p>dance</p> <p>float</p>

Then, combine the words from each column starting with Column 1 to create each line of your poem.
Here's an example: "Give thanks to our Earth for trees green dance." For the second line: "Clouds fluffy float."
