

Cultural heritage

Aboriginal people have a deep and continuous connection to the place now called Victoria, evidenced by the number of statewide cultural heritage places.

Yarriambiack LGA has 572 registered cultural heritage places including an Aboriginal cultural place, Aboriginal historical places, burials, artefact scatters, earth features, low density artefact distribution, object collections, scarred trees, shell midden and stone features.

Publicly known cultural heritage places include Yarriambiack Creek Landscape, Blackfellows Waterhole and Barrabool Forest.

Throughout this document the term “Aboriginal” is used to refer to both Aboriginal and Torres Strait Islander people. Use of the terms “Koori”, “Koorie” and “Indigenous” are retained in the names of programs and initiatives, and, unless noted otherwise, are inclusive of both Aboriginal and Torres Strait Islander people.

Overview

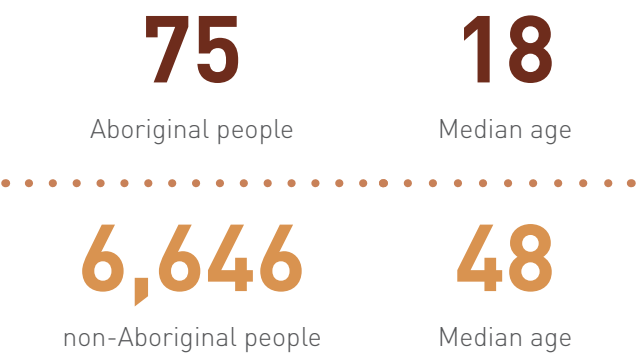

The Life Course Approach to Aboriginal Affairs in Victoria

The *Victorian Aboriginal Affairs Framework 2013-2018* is the Government’s plan for closing the gap in Victoria by 2031, working in partnership with Aboriginal communities, service providers and the business sector.

This document provides a statistical profile of Aboriginal people within the Yarriambiack Local Government Area (LGA). It acknowledges Aboriginal community organisations and identifies achievements and challenges relating to the Aboriginal community.

The profile is intended to support conversations between communities, service providers, governments and other key stakeholders. The information can help inform approaches and action at the local level to better meet the needs of Aboriginal people and deliver improved health, education, and employment outcomes.
