TURN: E – C#m – A – A – E – C#m – A – A

VERSE 1:

Once my heart was lost, tangled deep in sin  
Wandering far from grace, and veiled in shame  
Yet with boundless love You have brought me home  
Now my greatest prize: to know Your Name

CHORUS:

Knowing You, Jesus, only You  
There is no greater aim  
In Your presence here my joy is found  
There is no higher gain

\_to TURN (half)

VERSE 2:

Oh my soul cries out just to know You more  
To be fettered by unfailing love  
Though the fires may flash, mighty thunders roar  
Still my hope's secure in Christ above

\_to CHORUS

INSTRUMENTAL: A – E – B – C#m \_ B \_

BRIDGE:

Your love is higher, Your glory brighter  
And my hope is set on You  
My greatest longing is found in knowing  
That my hope is set on You

TURN 2: A – F#m

VERSE 3:

May my life be steeped in unceasing praise  
'Til in death we'll meet on heaven's shore  
Oh that glorious day, 'tis Your face I'll see  
And in Your arms I'll sing forevermore
