

# Play Matta™ Rebound

Play Matta™ Rebound is a hygienic safety flooring system for indoor play spaces and gyms.

The Play Matta™ Rebound tile is a robust indoor tile, suited for areas where play safety, hygiene and ease of cleaning is important.

The Play Matta™ Rebound smooth top tile is a modular tile which provides a smooth and seamless surface for indoor play spaces, gyms and fitness centres.

The Smooth Top finish is hygienic and easy to clean, providing good traction underfoot, and indoor sound control.

## FAQs

### HOW DO YOU CLEAN PLAY MATTA™ INDOOR TILES?

Play Matta™ tiles respond well to water blasting. When indoors, common household and most commercial cleaners can be used. For help with super stubborn stains, get in contact with your Play Matta™ representative.

### WILL PLAY MATTA™ REBOUND TILES MEET INDOOR FIRE REQUIREMENTS?

Play Matta™ Rebound tiles are self-extinguishing and compliant with most international standards - if you have a specific standard of concern, please contact us for more information.
