## Track application status

SchoolLinks' College Application Manager helps students and staff easily keep track of application documents, record application results and manage document requests.

## Create 'favorites' lists

Allow students to easily 'favorite' colleges they find during their exploration - and save to apply to later on. Guardians and staff can also create 'favorite' lists.

## Get a feel for campus life

Help students find their best college fit with SchoolLinks' "day in the life" videos, virtual reality campus tours, information about the surrounding area and more.

## Find and apply to scholarships

Give students access to a constantly updated database of scholarships from our database of national as well as district provided scholarships.

## Explore 2 year, 4 year and vocational schools

SchoolLinks' College Search portal allows students to filter results of 2 year, 4 year and vocational schools according to criteria like desired major or location.
