

# Escrow email template

Use the text below to notify agents in your network of your digital earnest money tool!

Hello,

[INSERT YOUR COMPANY NAME] now uses [Earnnest](#) — the industry leader in digital earnest money payments — to collect earnest deposits. Agents can send fast and easy earnest money requests from anywhere directly to homebuyers. And buyers can pay their earnest deposit safely and securely via Earnnest's closed network.

## Register with Earnnest

Get started by downloading the [Earnnest app](#) or by accessing the [Earnnest web app](#). Once you register, you'll be ready to start sending digital earnest money request to homebuyers today!

## How to find us in Earnnest

After registration, create your first earnest request. In the escrow holder field, search for [INSERT YOUR COMPANY NAME] and select us as your escrow holder. For step-by-step instructions on creating a digital earnest request, visit [Earnnest.com/agent-resources](#) for helpful videos and guides.

## Earnnest features

- **Automatic receipts.** Buyers, agents, and escrow holder are all kept in the loop.
- **Banking-level security and encryption.** The risk of wire fraud is eliminated completely.
- **100% digital earnest money deposits.** No more paper check pick-up and drop-off.
- **Sufficient funds check on every transaction.** No more bounced checks.

At [INSERT YOUR COMPANY NAME], we want to provide tools that help you create a competitive advantage in your business. With Earnnest, you can offer clients an easier and more secure way to pay their earnest money. And that's a win-win for everyone.

Thank you,  
[YOUR NAME]
