

MEET OUR ADOPTABLE YOUTH

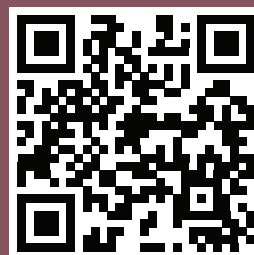

Larry is looking for his forever family!

Meet Larry, a sweet, talkative and tall young man. Larry loves video games, Pokemon, Legos and being outside doing activities. Last year Larry played tackle football for the first time and loved it. He is also interested in playing basketball in his spare time. Larry's favorite places to eat are Panda Express and Taco Bell. If he had the option he would eat them for every meal. Larry enjoys going to school every day and very much enjoys learning. If he could learn one thing he would really like to learn how to play the guitar. Larry states he would like to be an engineer when he grows up because he is good at math.

Larry is looking for a forever family who will love him forever. He would do best with an active family who would have the time for him to do activities outside of school. A family that is willing to allow him to have contact with his current supports. Larry would like his forever family to know that he is very nice and that he is tall.
