**Insurance information:**

Please note that if the player holds private health insurance he/she must submit a claim through the private health insurer first as the Clubchoice policy only covers irrecoverable expenses.

You will be required to give further information by the insurance company, including original receipts and invoices for medical expenses incurred (Photocopies will not be accepted); a medical certificate etc as supporting evidence.

Physiotherapy/Alternative treatment will only be considered where a referral letter from a medical practitioner has been obtained.

In a case where for any reason surgery is required, that is covered under the policy, the insurance company will require a pro forma invoice from the hospital 4 weeks in advance stating the date of the surgery, the breakdown of the costs, and who to make the cheque payable to. (This is subject to the policy excess and policy limits under the medical expenses section of the policy.)

Excess limits apply depending on the nature of the injury

For emergency dental injuries an injured player must attend a dentist within 48 hours of incident; dental treatment is subject to an excess of €500.

For up to date terms and conditions please refer to the actual policy document.
