Forward-Looking Statements

This news release includes certain forward-looking statements as well as management's objectives, strategies, beliefs and intentions. Forward looking statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-looking statements in this news release include statements relating to the strategic review process and the work of the Committee; whether a strategic change, transaction or any outcome will result from or be consummated or implemented as a result of the strategic review process; and whether any transaction resulting from the strategic review process, if any, will ultimately enhance shareholder or stakeholder value in the long term.

Forward-looking statements are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of cryptocurrencies, as described in more detail in our securities filings available at www.sedar.com. Actual events or

results may differ materially from those projected in the forward-looking statements and we caution against placing undue reliance thereon. We assume no obligation to revise or update these forward-looking statements except as required by applicable law.
